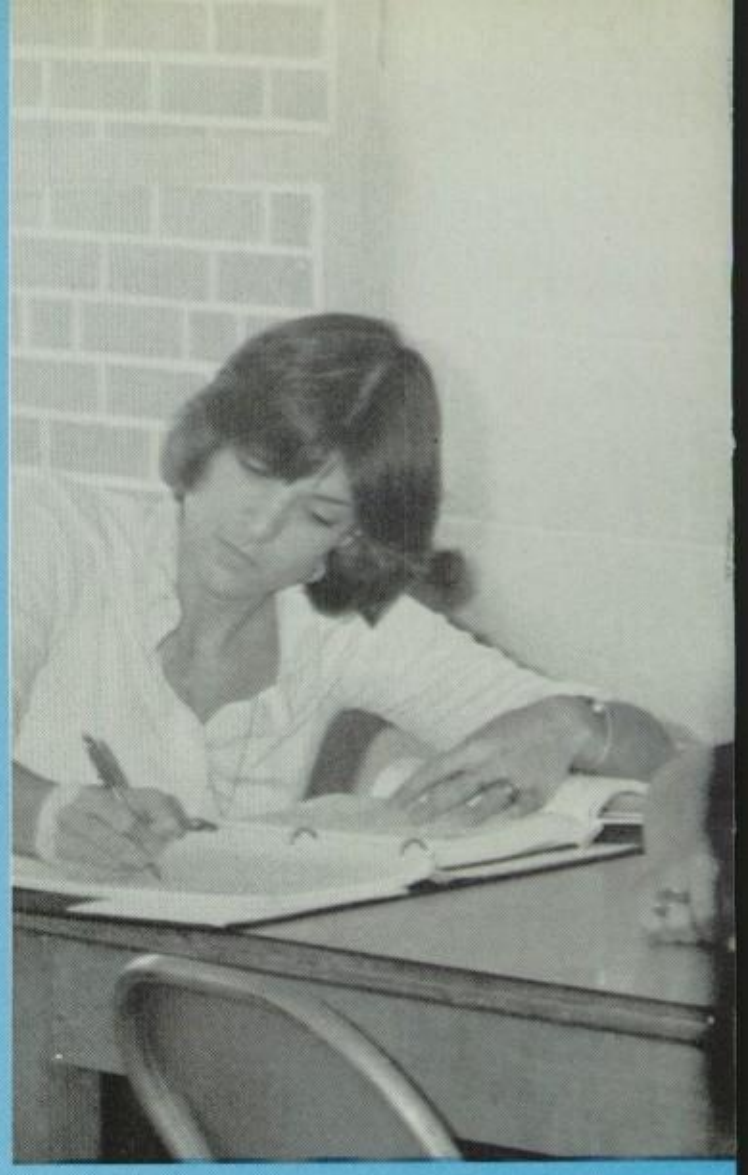
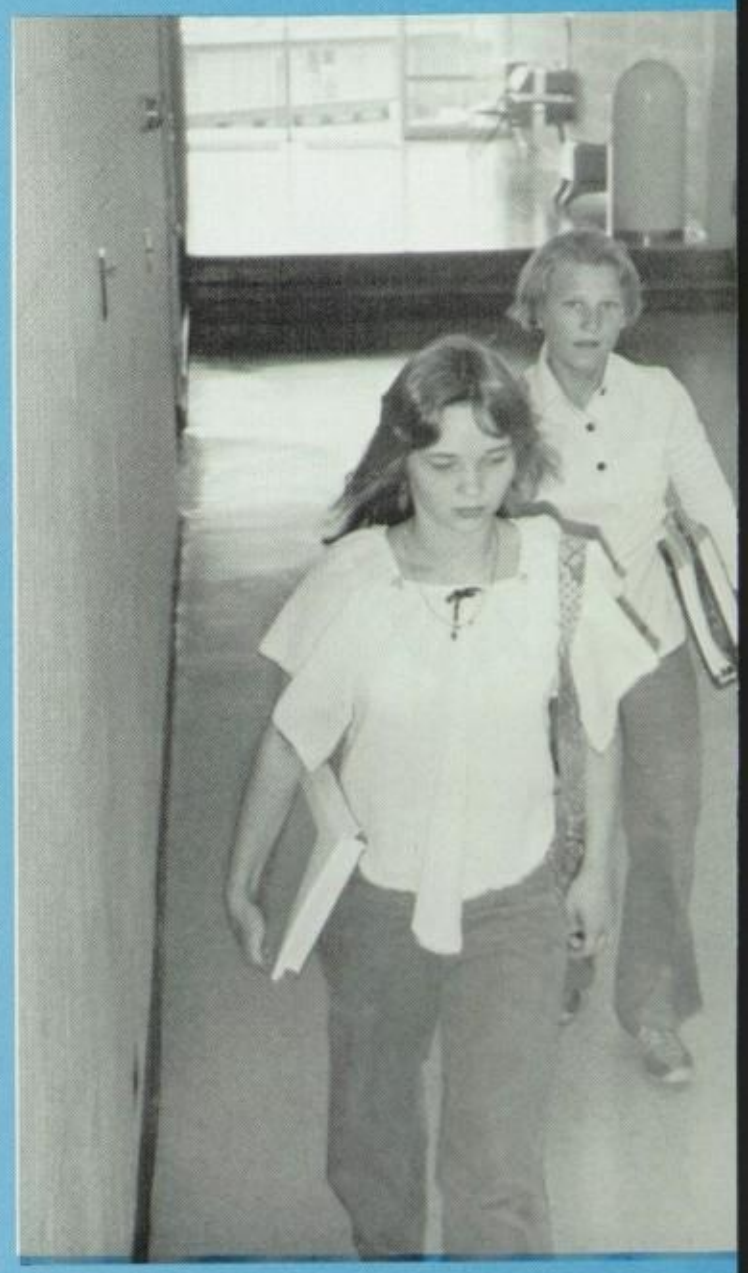
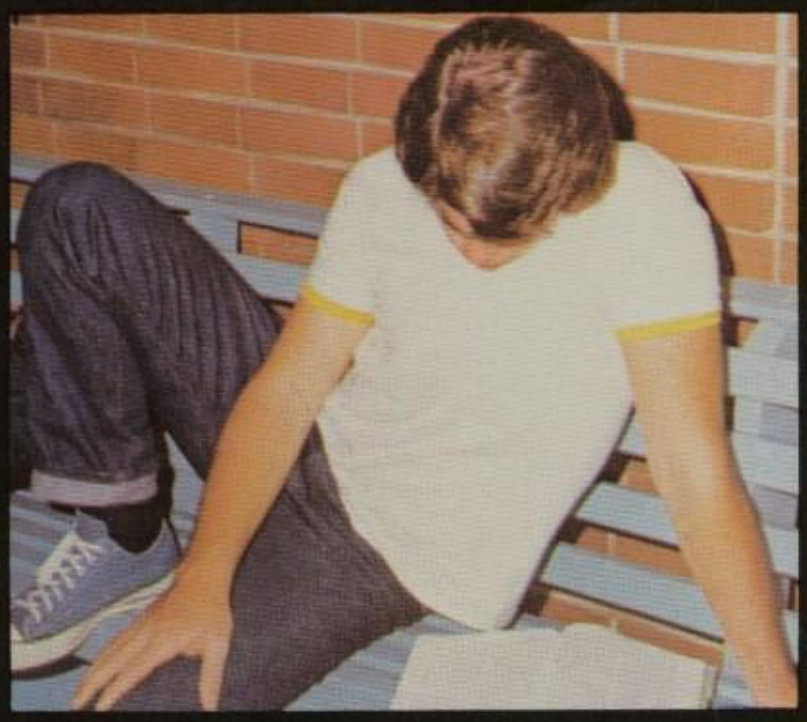
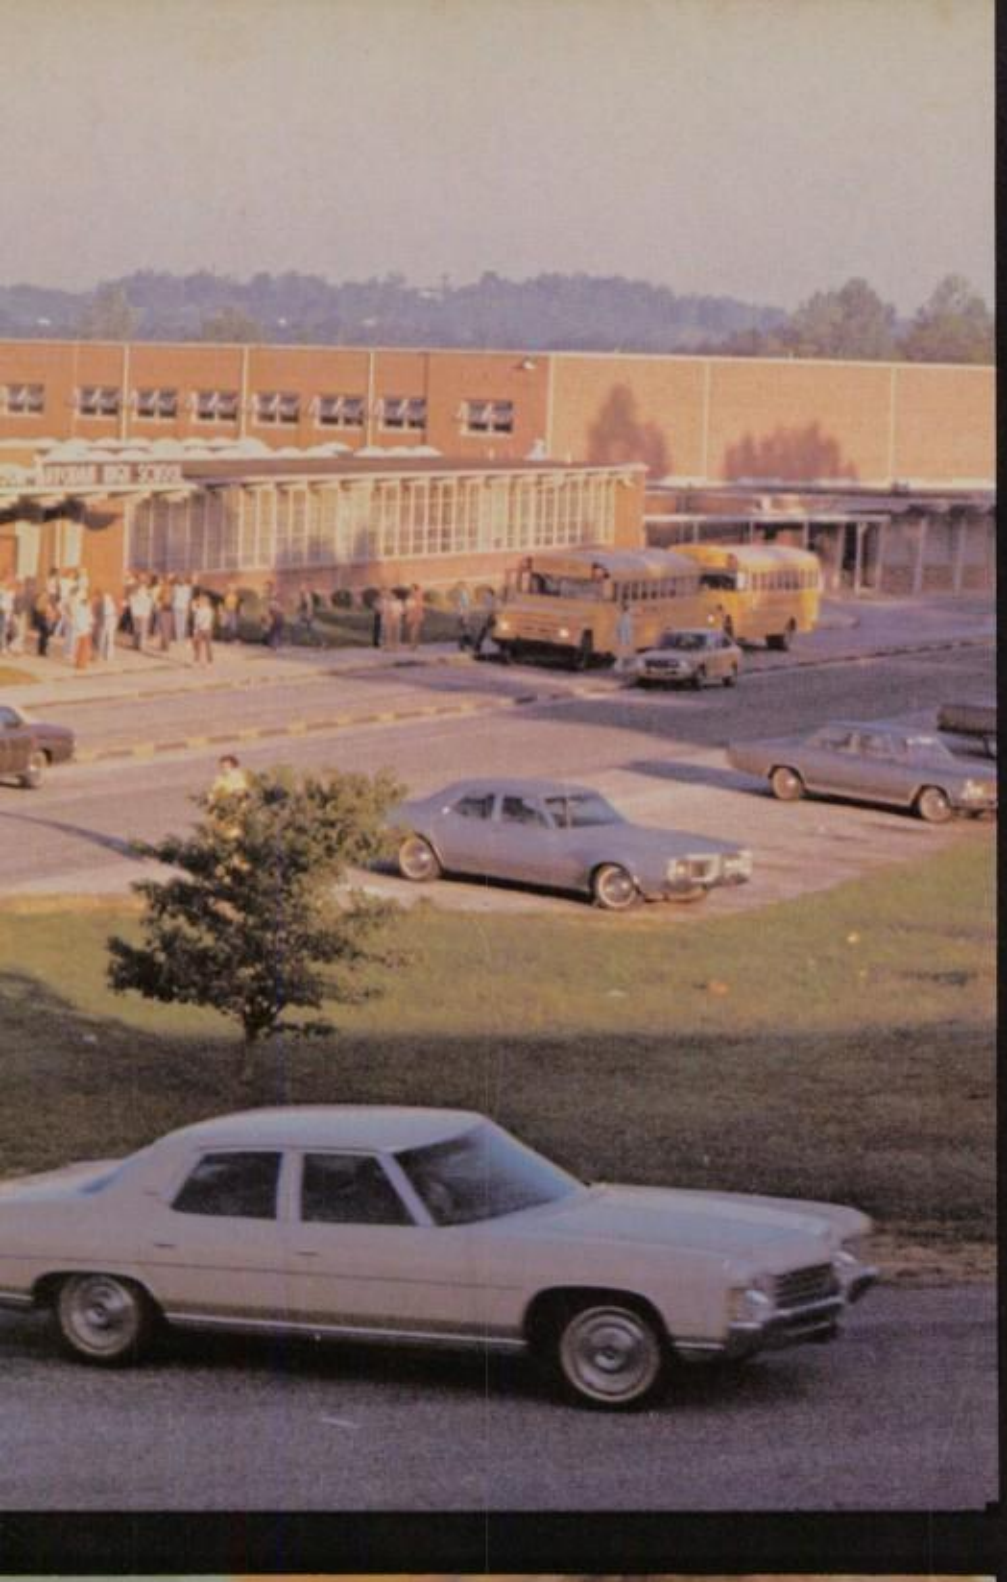
For the student body, the school year '76-'77 brought forth unique experiences which gave us the learning techniques we would carry on through life. The individual student was independent, talented, and aggressive. We had to show who we were and all that we wanted to be. No longer did the student worry about small things or day-to-day problems. The individual took one day at a time, living life to its fullest, at his own carefree pace.









The laughter we shared, the good times with our friends, the various events of what came each day were challenging, making the student alive and aware. Our hopes were us—they explained our character.

Memories may be beautiful, and yet each of us had our vision of life and what we wanted out of it. Memories of what we had will remain with us forever. The pain of what could have been, but is not, we leave for the memories of the way we were.

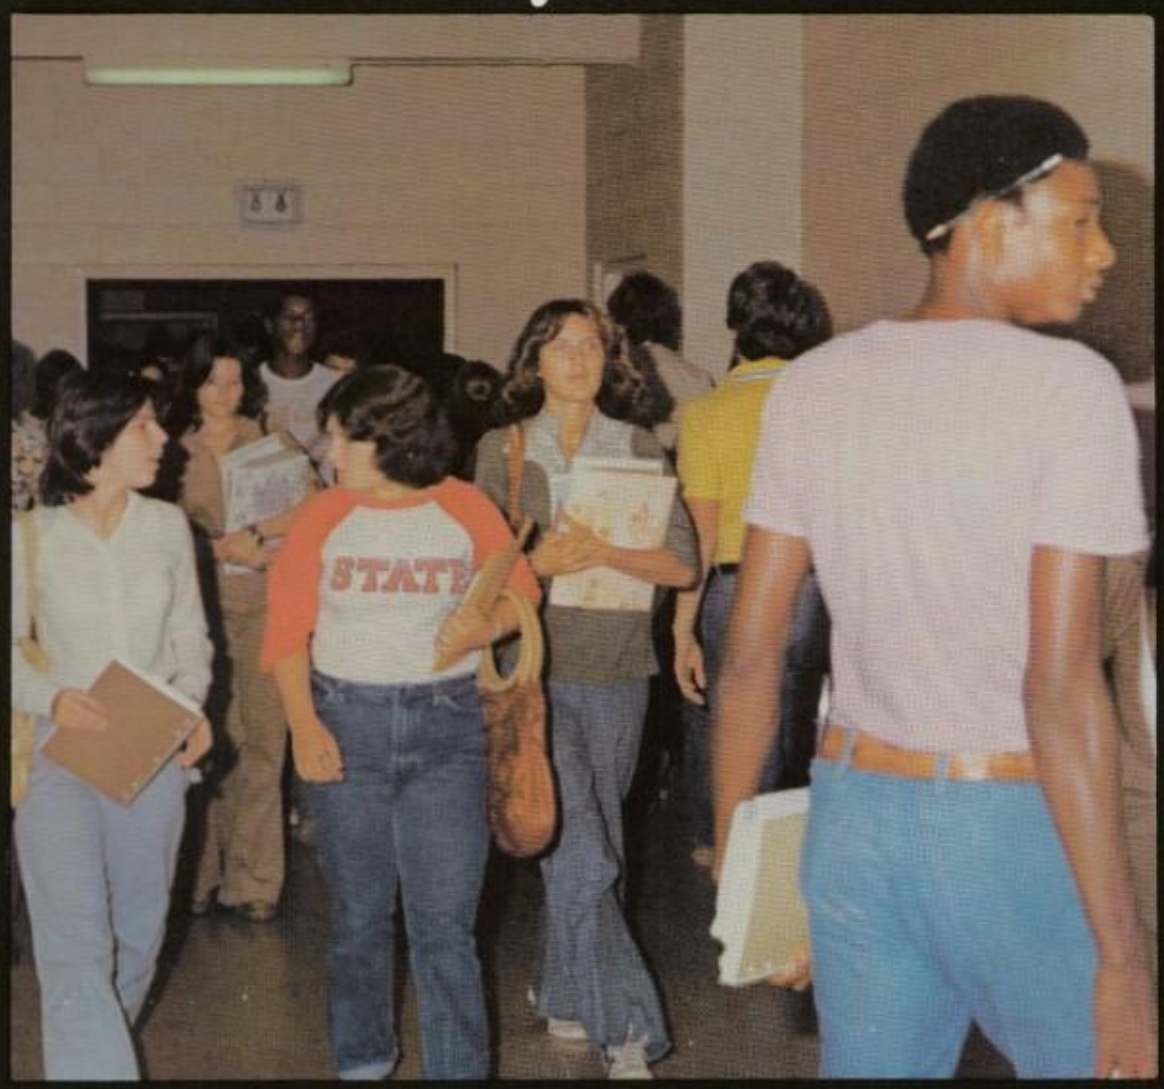
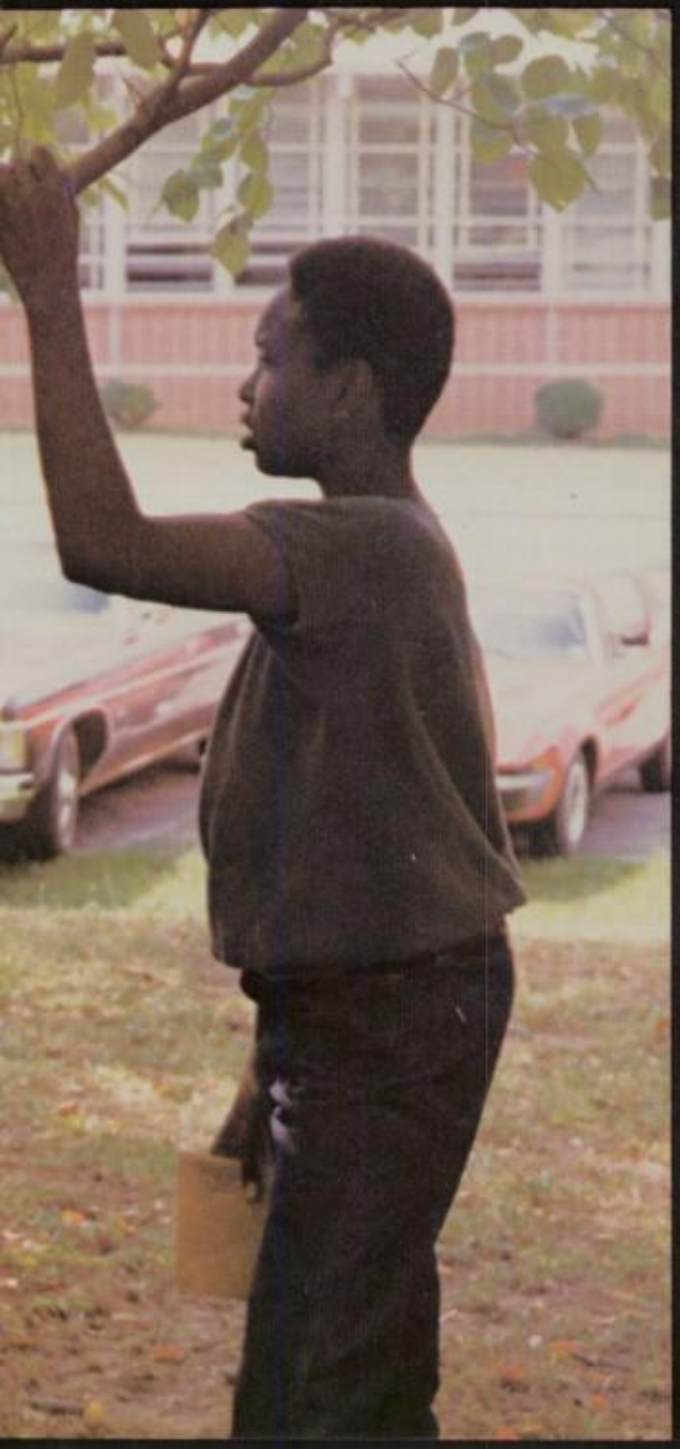
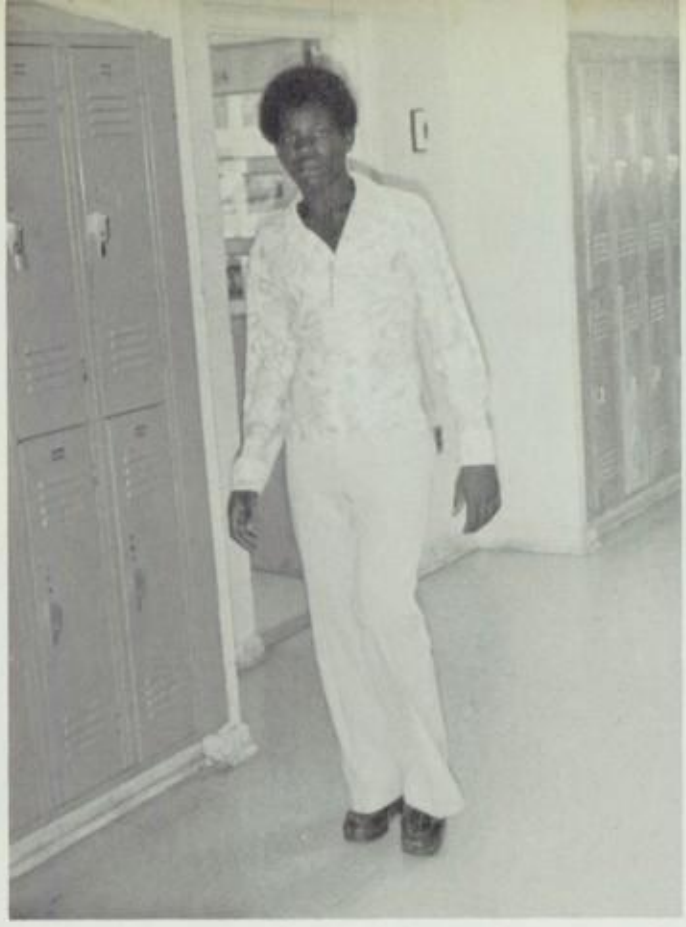
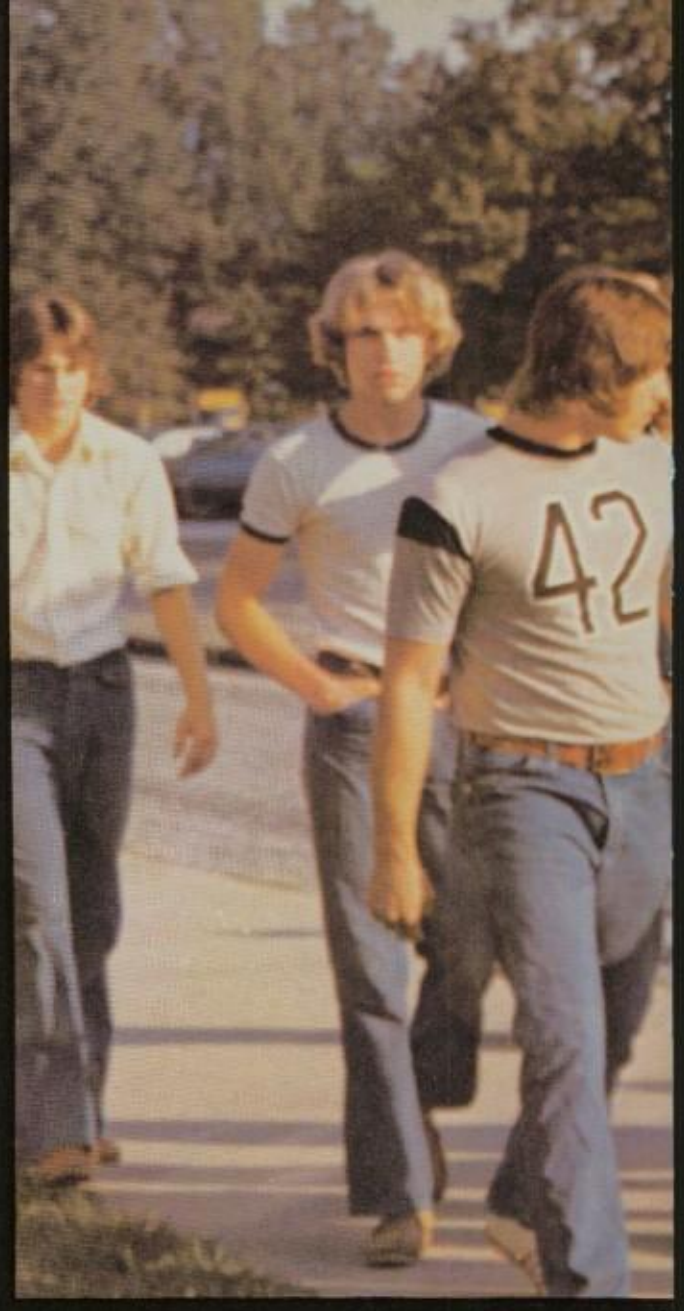
The Way We Were







Student Life



Spring Once Again

Spring came but not too soon for the students at MMHS. The classrooms became a pasttime with the students, whose minds were primarily with the activities out of doors.

The most anticipated event was the end of the school year. The activities that preceded or was associated with the end of the school year were Senior's last day; Award's Day, Graduation, Beach trips, and the Falcon Band going to a contest in Wisconsin.

Junior—Senior '76

To present "Cherish Yesterday, Live Today, Dream Tomorrow," hard work was put forth by the class of '77. It began with the annual magazine sales selling over five-thousand dollars to meet the cost of the prom. The Junior class officers organized various committes to set the junior-senior in motion.

During prom week the junior class spent many hours working on turning the auditorium into a grand ballroom. Finally the night of April 24 came, with the Royal Kings providing the music. Surely this occasion will long linger in the minds of many.

Graduation '76

Everything that had gone before had been leading up to that magical moment. They would be handed a piece of paper and instantly become responsible adults, no longer students. The rain forced an indoor graduation ceremony, but the spirits of the jubilant students and the proud parents could not be kept down.

Guest speaker Wilson Alexander, a past coach at M-M, was welcomed by a class anxious to hear his thoughts on life. Life was what they were entering, and any help in making the adjustment to personal freedom and responsibility was appreciated. When the time came, each received his or her diploma, and the class of 1976 marched out together for the last time to face the tears, hugging, and warmth of families and friends. A door had been opened to each student, and their years at M-M had been the key.

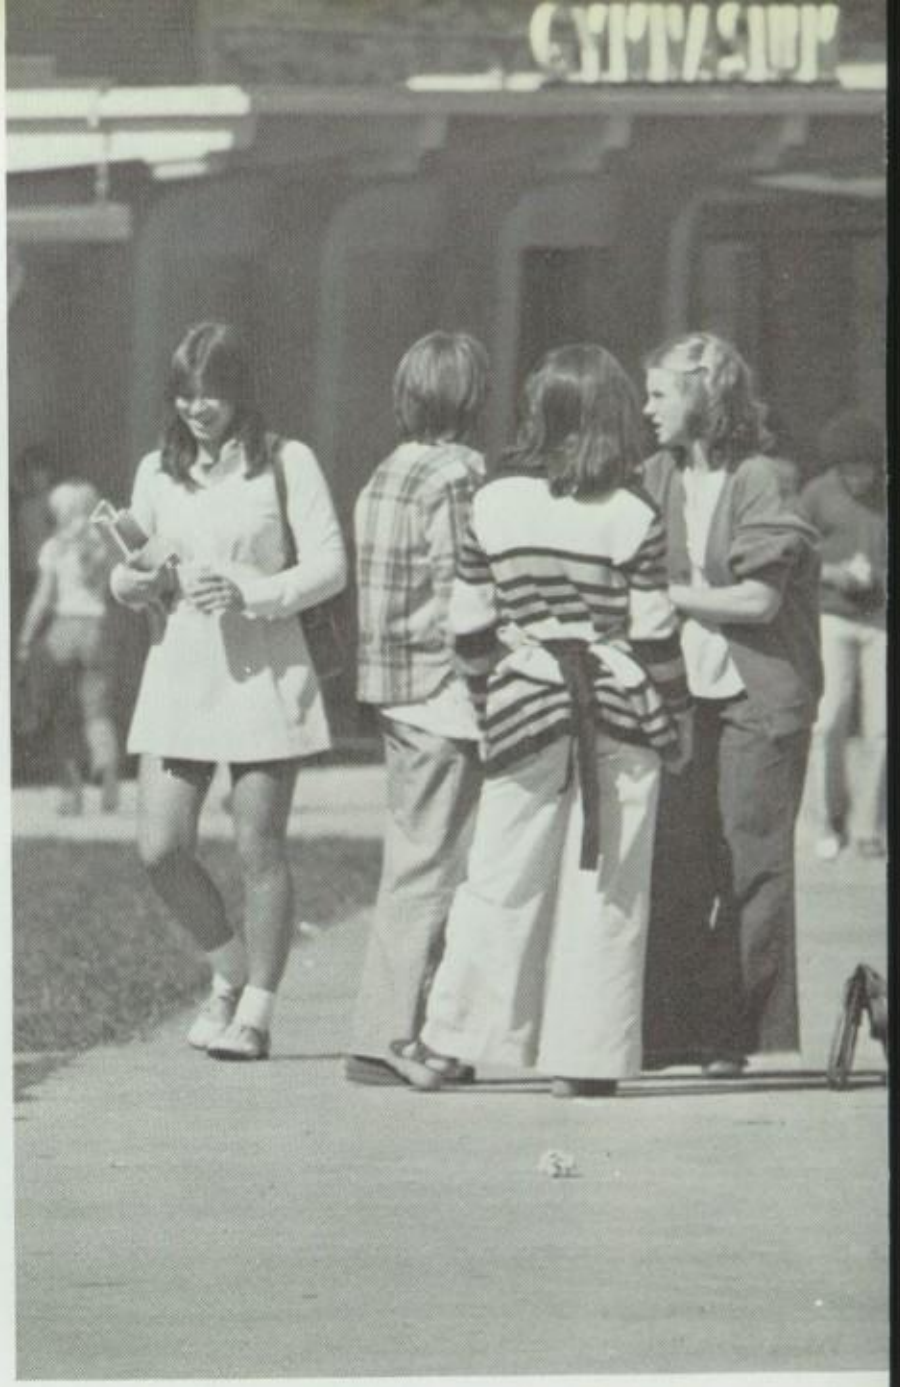
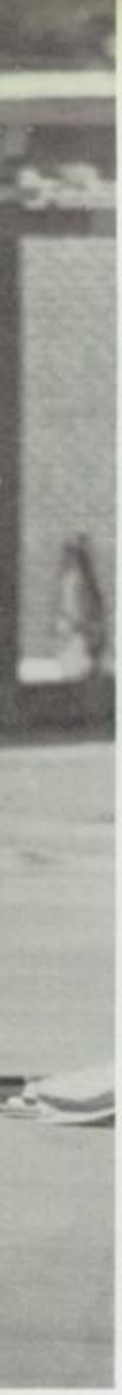
Back to School



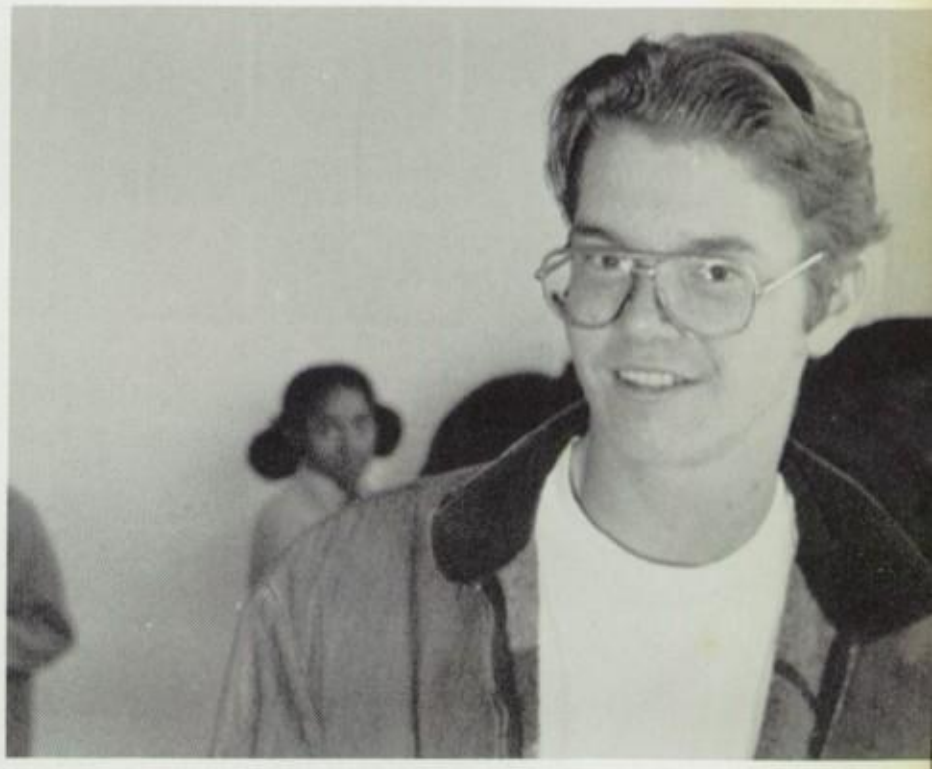


All things come to an end and summer is no exception. As school began, we were reunited with friends, teachers, and the routine of school life. The year seemed no different as we settled down, adjusting ourselves to the new curriculum and activities.

Spirit Week

As Homecoming drew upon us, each student got into the swing of things by participating in the various spirit week events.

The Fifties Day seemed to be a favorite with bobbie socks and greased hair on most of the students. The Spirit Chain was a great success with well over 500 students taking part. The week ended with a pep rally which got everyone in the mood for the anticipated Homecoming victory.



Big Red
Haven't known you that much this year. But the times we've been together it's been fun. Good luck.

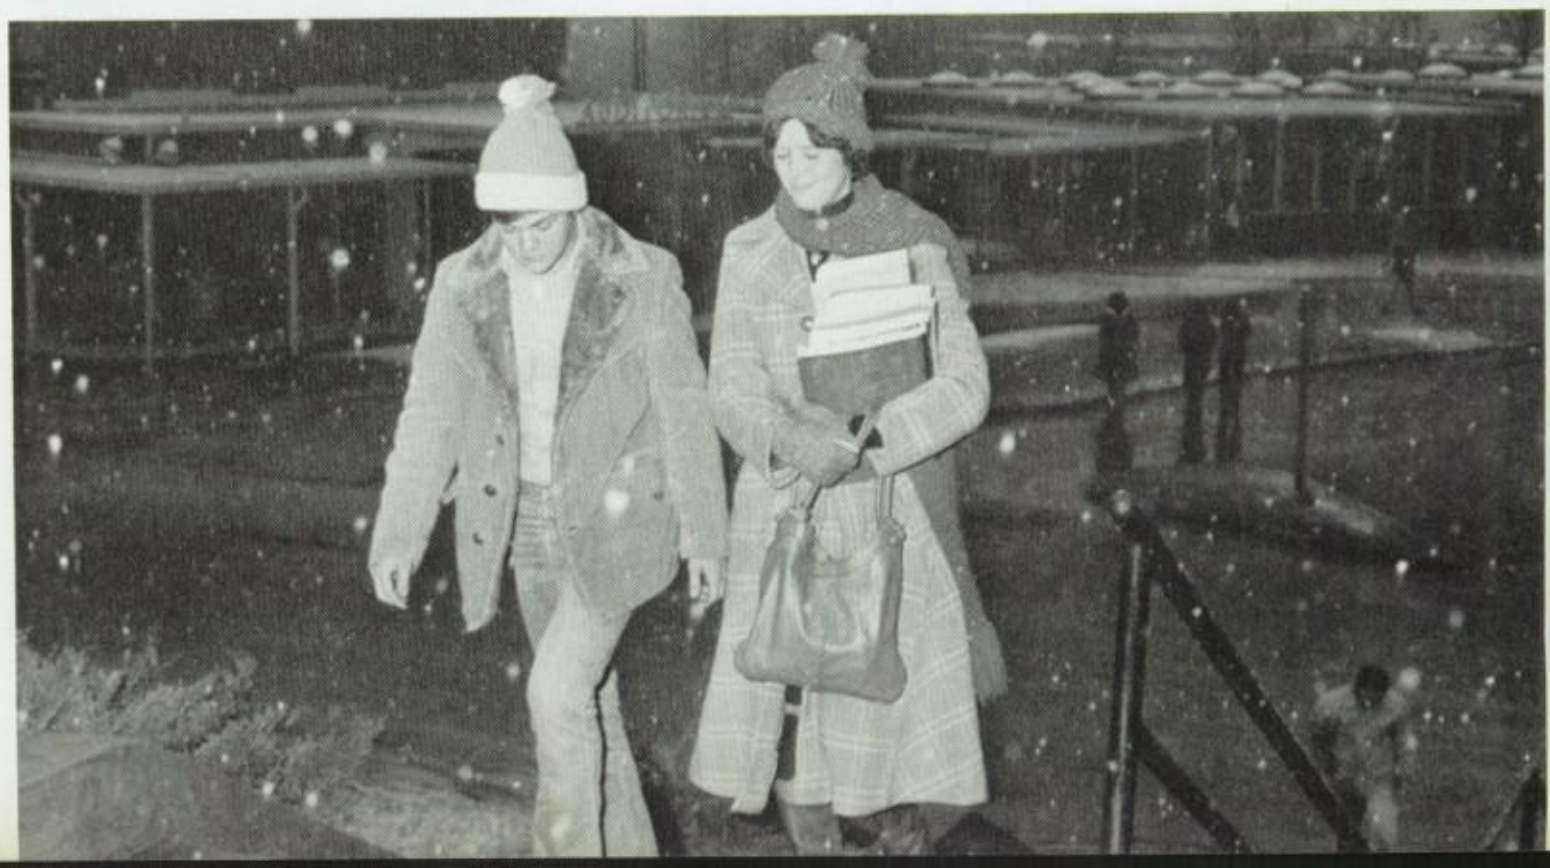
Holiday Season

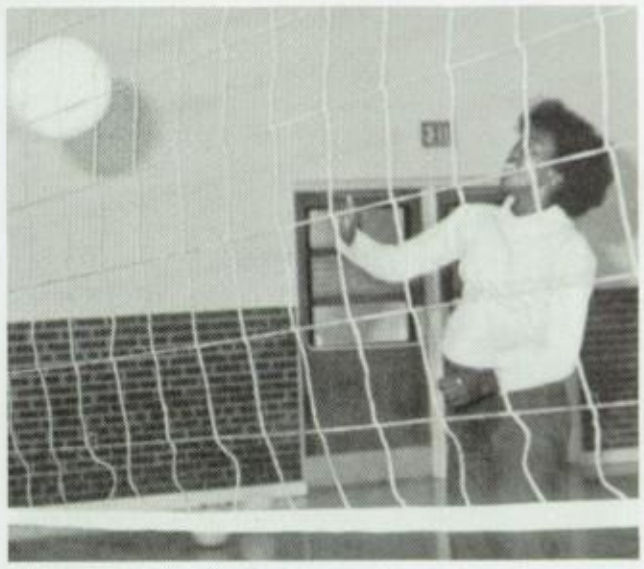
Every year the students at M-M look forward to the winter months and the fun-filled holidays.

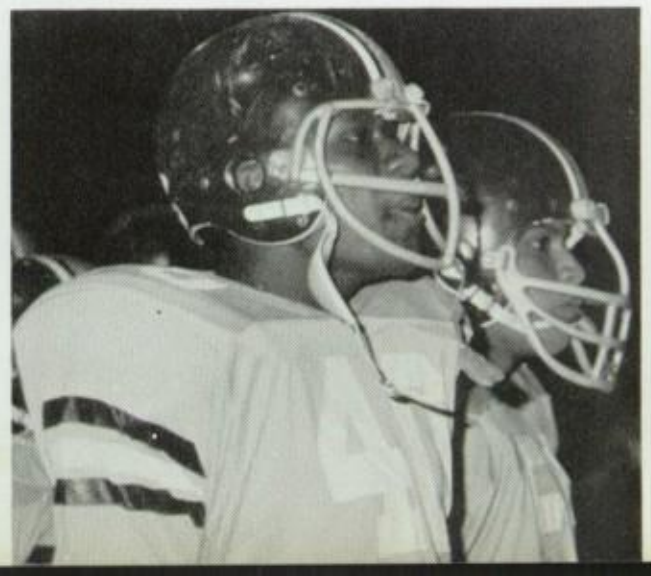
As Thanksgiving approached, the Student Legislature had the annual food box collection, with each homeroom decorating and filling their box to capacity. The project went off well, and the needy families of the area had a happy Thanksgiving as a result.

Christmas rolled around and everyone joined in the gay festivities. The Civinettes presented their best play ever with their version of "Twas the Night Before Christmas". Mrs. Porter's Dramatics class showed their semester of work by presenting two outstanding performances.

The students spent their Christmas vacations and returned to complete the second half of the school year.





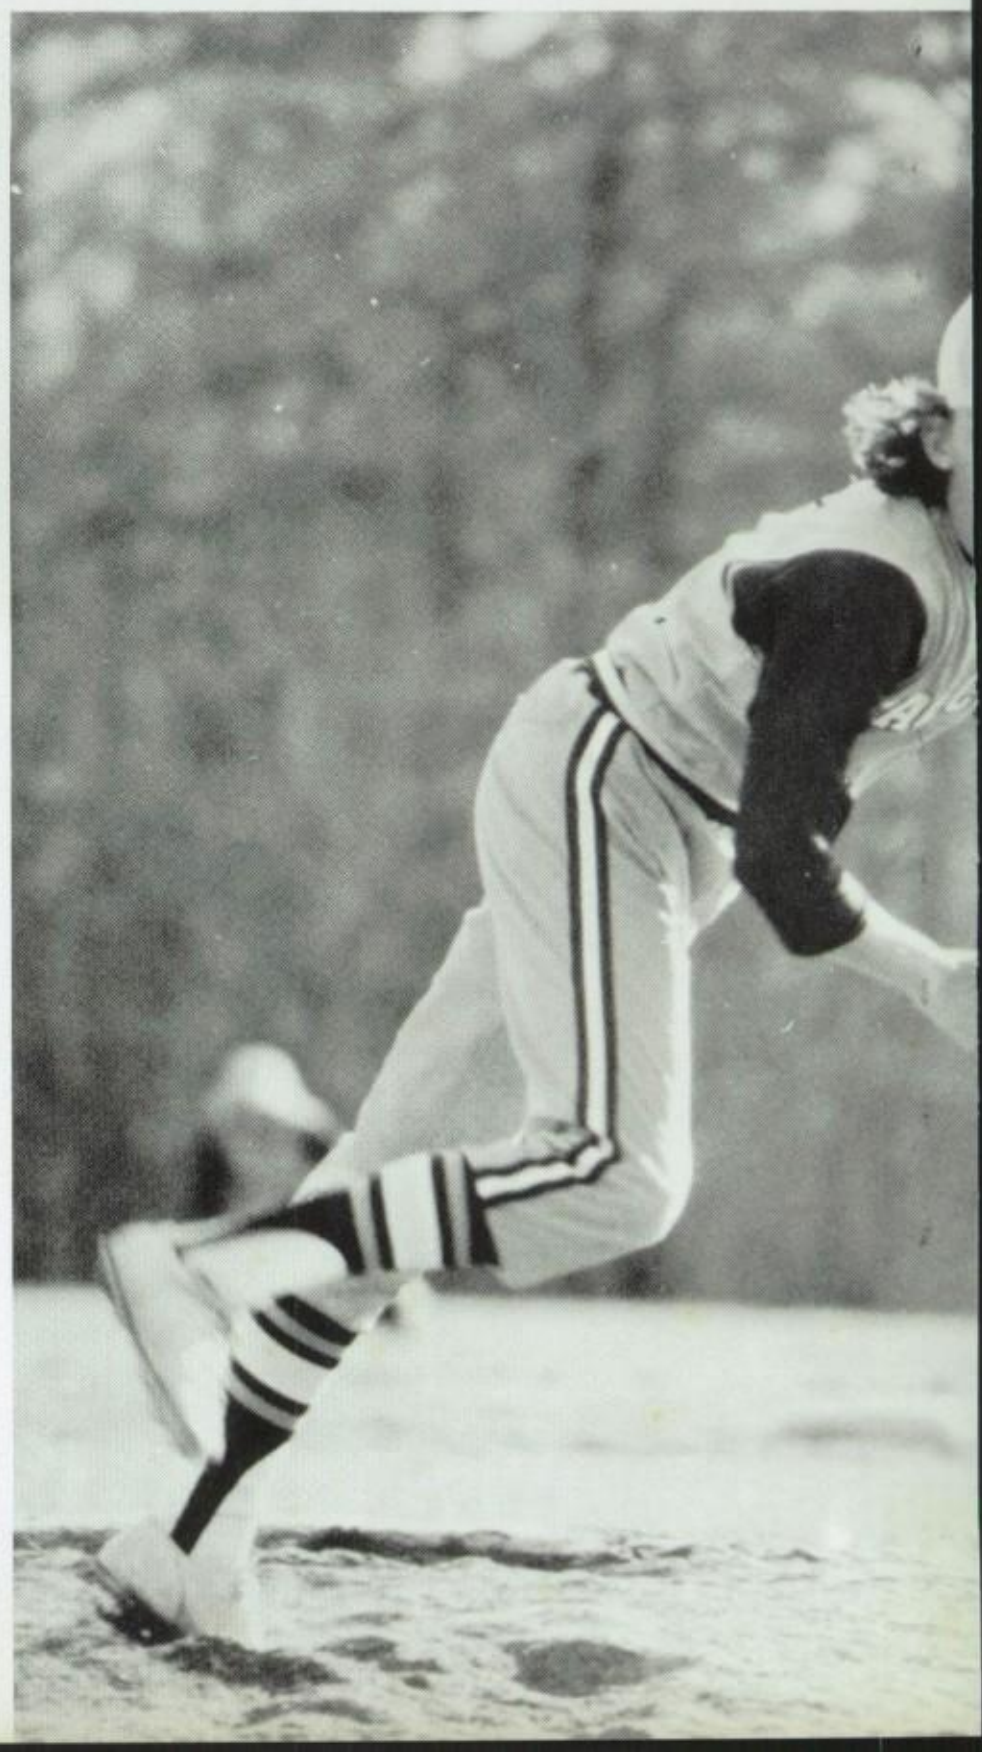


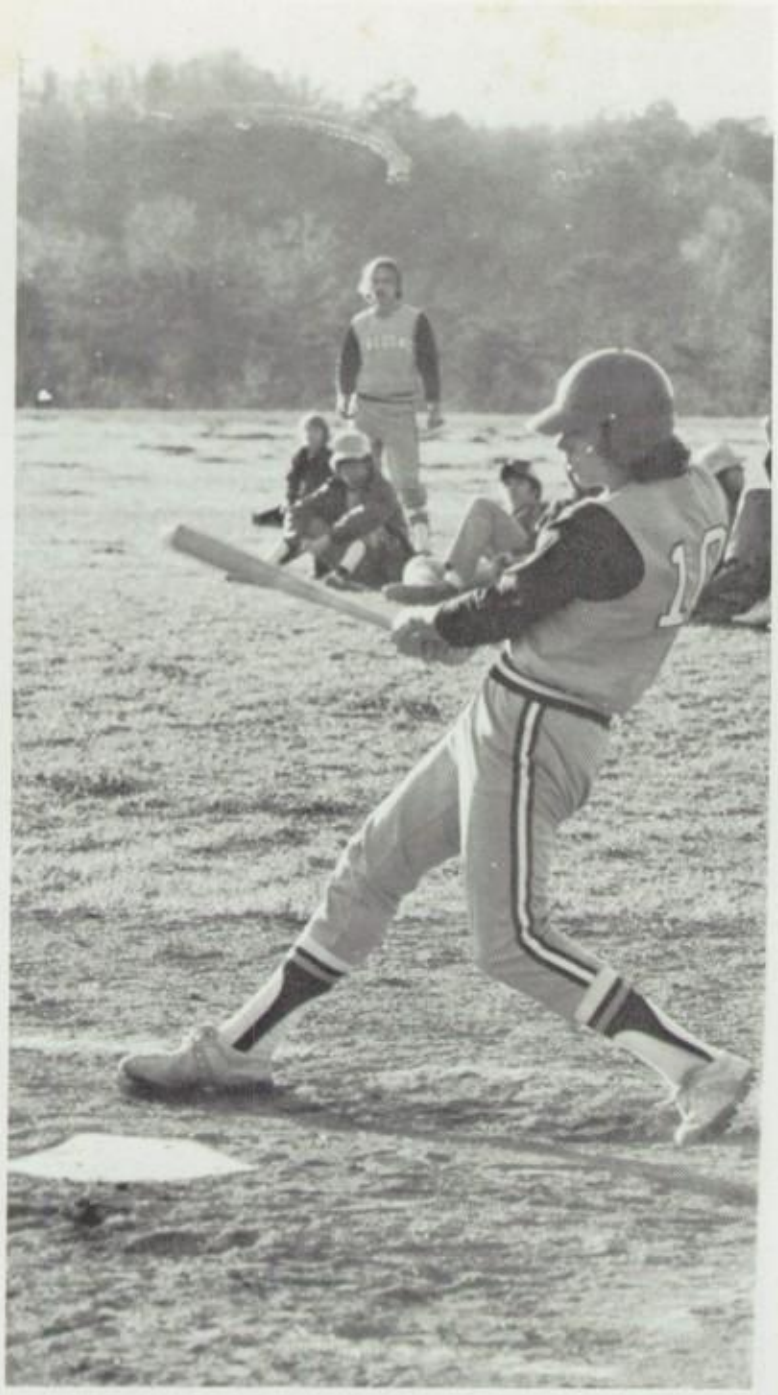
Sports

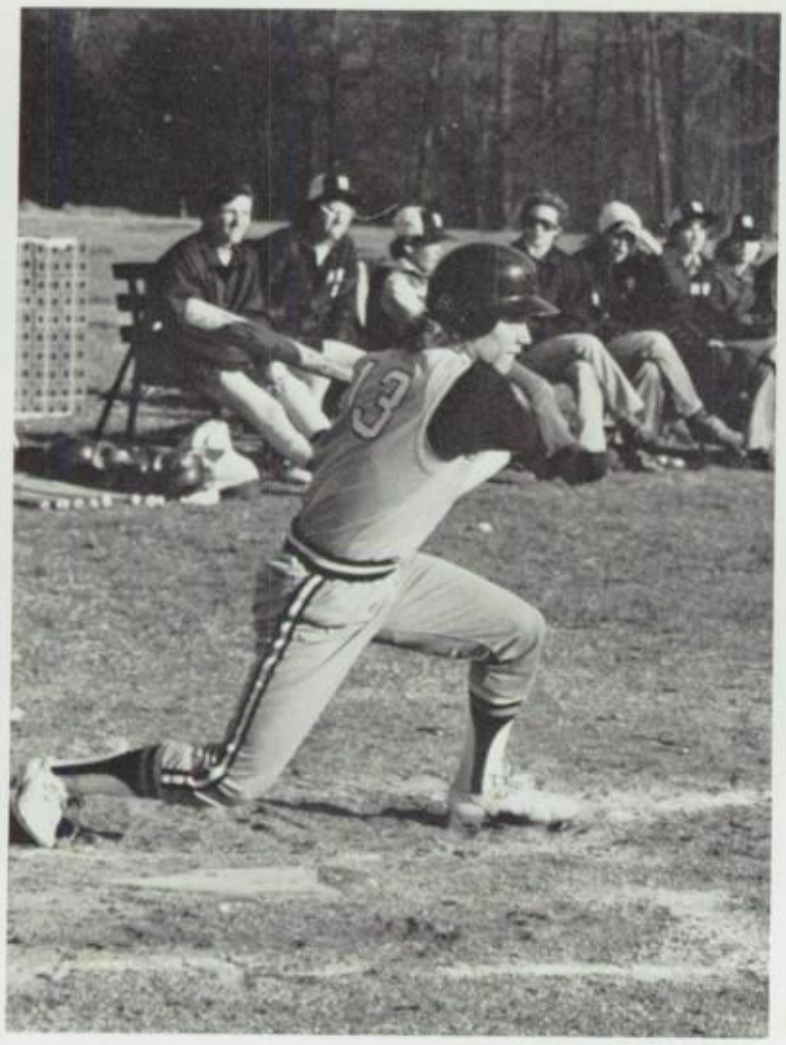
Varsity Baseball Team–(left to right) Kneeling: Arthur Martin, Henry Carroll, Kem Brynat, Kenny Moore, Robbie Blaney, Boogie Watson. Standing: Jay White, Tommy Webster, Tim Collins, Steve Neal, Freddie Freeman, Jay Bryant.

Baseball Team Improves

With a new coach, Mike Carter, the Baseball team compiled a 7-10 record. They began their season looking as if they would take the conference title, but several problems arose and they lost six conference games in a row. However, they did beat Northwest Guilford, the eventual conference champs. The team was also proud to boast that it had three All-Conference players–Tommy Webster, Boogie Watson, and Kenny Moore.







Disappointing Season For Mens Track Team

Limited by an unusually small squad, the Falcon Track Team suffered a less than desirable season in conference play. Coach Jeryl Todd, returning for his second year as Track coach, worked closely with each team member in an attempt to develop what talent they had. This proved to be too much for the young men on the team, though, a few of the players did manage to qualify for the Sectionals Tournament at Grimsley High School. A sudden rainstorm washed out the Falcon runners' hopes in the mile relay, and no high distinction was earned in the hurdles, the broad jump, or the high jump.

The Falcon's who have fielded a good track team in the past, hope to see improvement in the 1977 season as new talent is found and developed.

Womens Track Lacks Support

Beginning their first year on a discouraging note, the Women's Track Team started the season with a lack of support from the student body and community. With only a few girls showing an interest in competing, the team unfortunately faced much larger squads. Since there were only a few girls on the team, each girl often had to compete in several events. The team did not have any girls on the all-conference team, possibly because each girl could not devote as much practice to one event. Debbie Bryant was chosen as the most valuable player, and Regina Moore was picked as the most improved. Although only winning one match, the team frequently finished in second or third place.

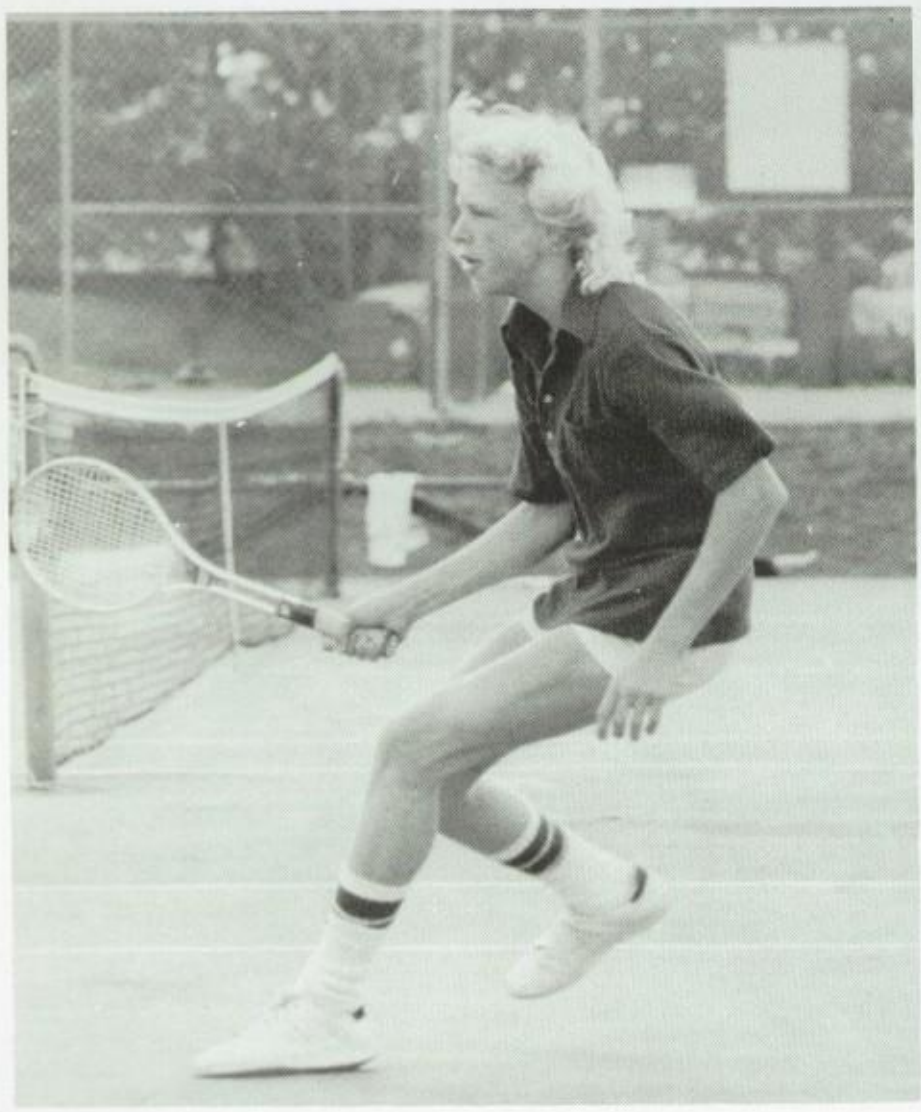
Women's Track Team–(left to right) First Row: Beverly Foddrell, Debbie Bryant, Teresa Welch. second Row: Rosie Dalton, Regina Moore, Marie Hayes, Lisa Martin, Diane Wall.

Men's Tennis Team Compiles Best Record

With a new coach, Larry Blackburn, the Men's Varsity Tennis Team completed its season with a 11-3 record. Narrowly losing the conference championship to Morehead, the tennis team posted the best record of any athletic team at the school. While every team member completed the season with a winning record in singles competition, Lance Thompson, a freshman, maintained an undefeated season in singles play.

Finishing as the conference singles champ, All-American Anthony Wall joined with Jeff Middleton to take the conference doubles title.

Tieing for third place among all teams in the sectionals, the tennis team achieved fourth place among schools of its own size. Anthony Wall was seeded sixth in the singles competition. Lance Thompson and Don Elmore were ranked seventh among the doubles teams. They reached the quarterfinals before losing to the eventual state champions.



Men's Tennis Team–(left to right) Derek Williams, Lance Thompson, Bobby Craig, Don Elmore, Paul Waldruff, David Walker.

Women's Tennis Team Completes Winning Year

Although the Women's Tennis Team lost its top two seeded players last year, the team finished the year with a winning record. Taking second place in the conference, the team was led by Kim Wall.

Kim Wall, undefeated in conference singles competition, easily won the singles title. Lou Ann Nelson, a tough contender for the number one spot, joined with Debbie Bryant to win the conference doubles title.

Even though the team lost first place to Morehead in two tough matches, they did well in competition at the sectionals. While Wall was seeded twelfth in singles competition, Nelson and Bryant were seeded seventh in doubles competition. Nelson and Bryant reached the quarterfinals before they lost to a very tough team.

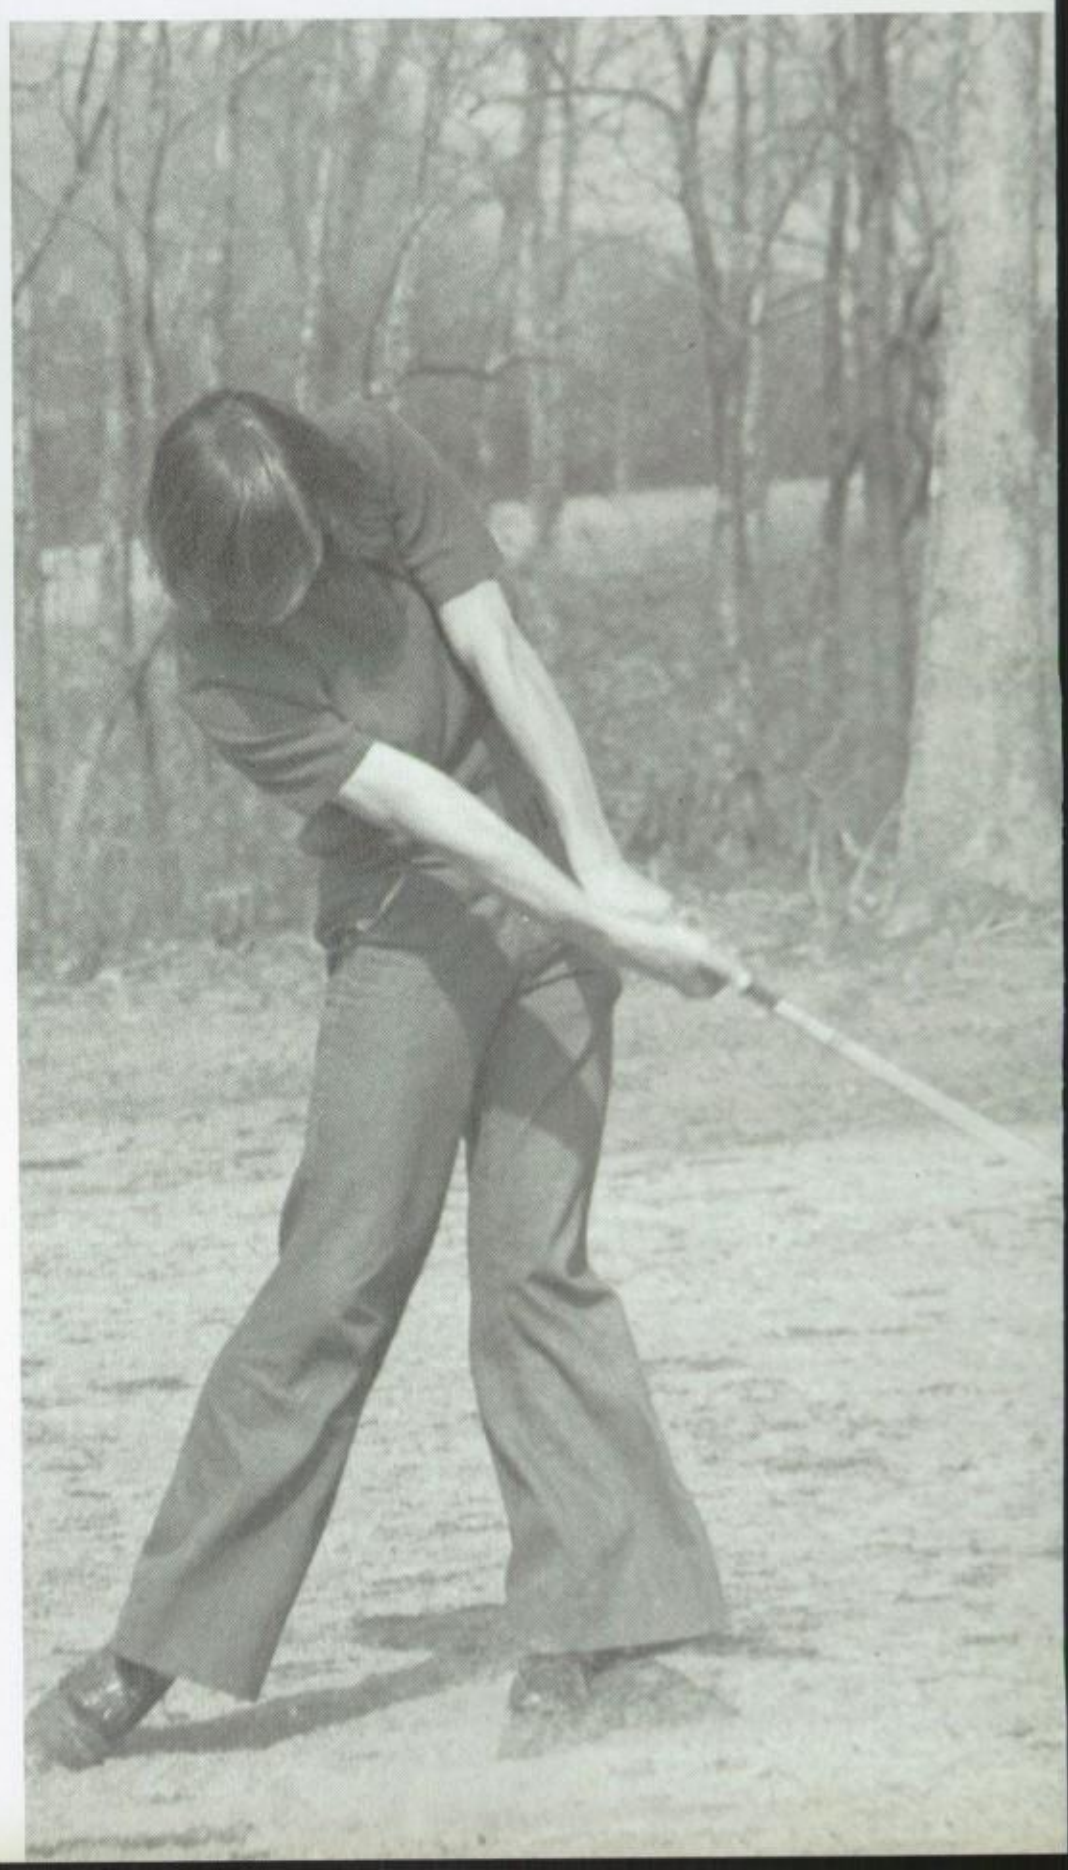
Golf Team–(left to right) Mike Griffin, Bill Lauten, Bobby Dalton, Tim Vernon, Britt Tuttle, Greg Gore.

Golfers Gain Experience

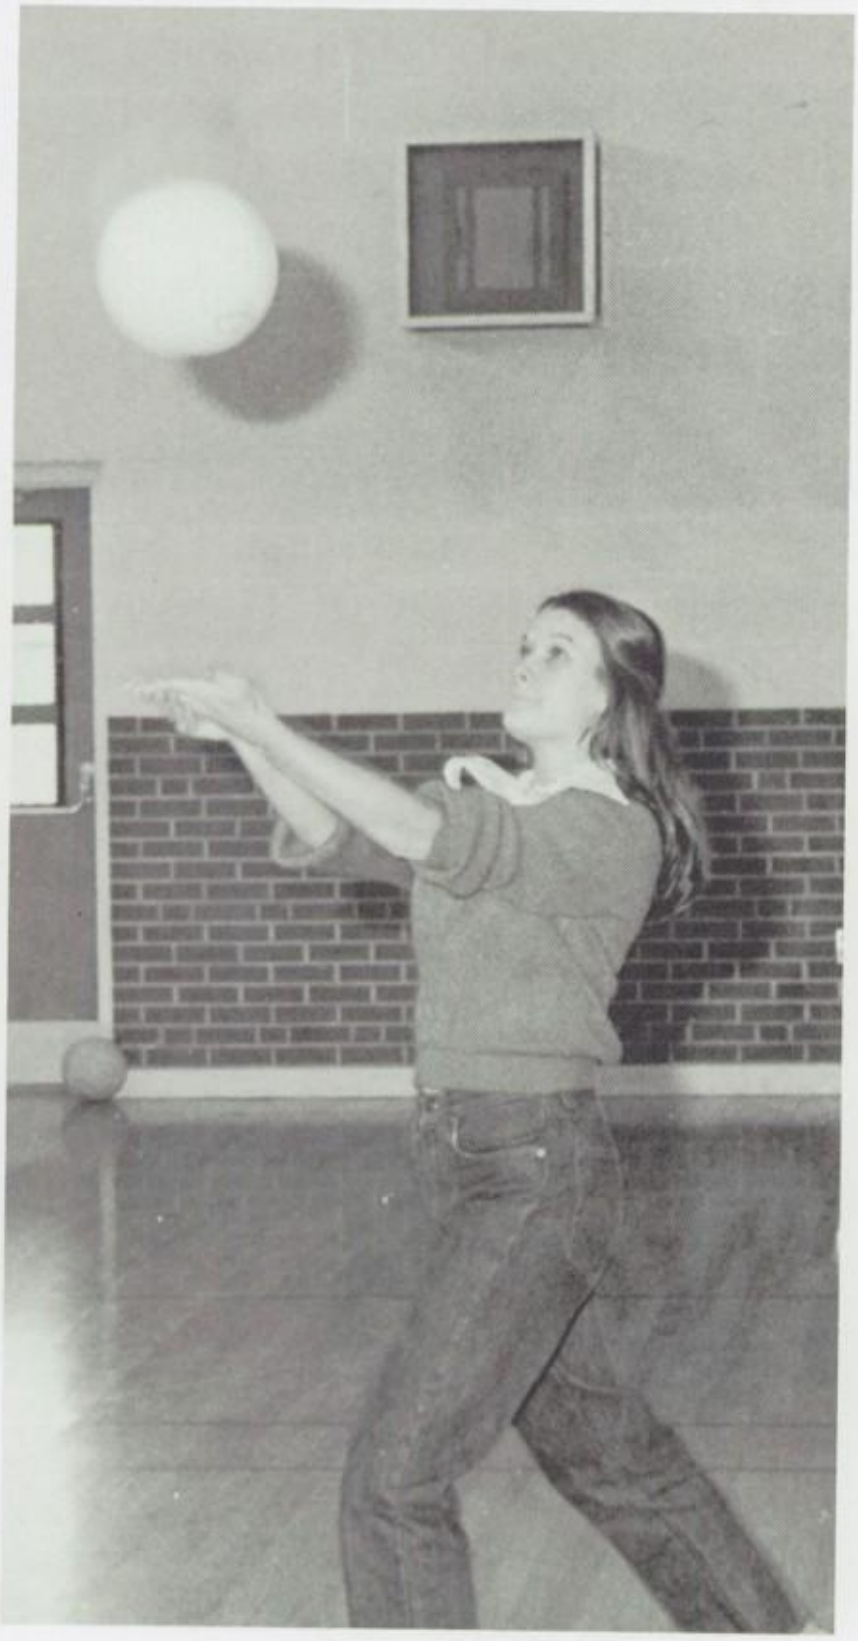
Coached by Leroy Myers, a well-known area tournament golfer, the Golf team finished fourth in the conference. The team completed its season narrowly losing a bid for the state playoffs. Led by Buzz Clark, the team missed going to the state playoffs by only one stroke. Britt Tuttle, only a sophomore was one of the few conference players to be a medalist in a conference match.

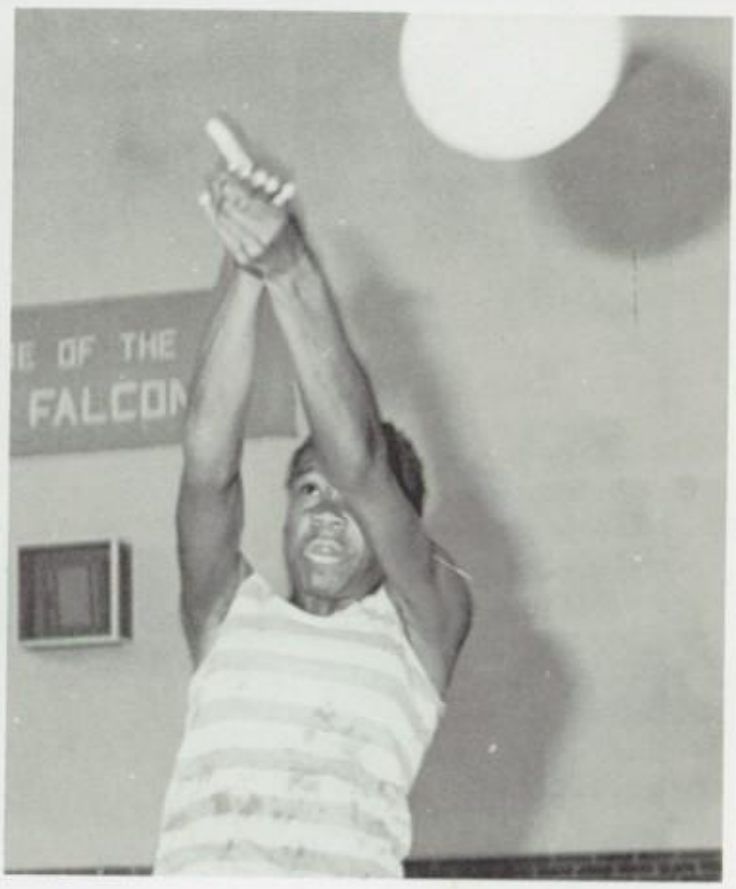


Volleyball Finishes Disappointing Year

With a 7-26 record, the Women's Volleyball Team suffered a disappointing season. Competing in its second year, the team again had problems finding enough girls who wanted to play volleyball. Eventually enough girls tried out to have a team, but they did not have the height or experience of the other teams. Yet the many disadvantages failed to hinder the girls' wishes of a winning season. Hopefully having gained the necessary experience, the girls will have a chance of improving their season next year.

Volleyball Team–(left to right) First Row: Rose Dunlap, Lisa Martin, Pam Dudley. Second Row: Regina Moore, Rosie Brooks, Betty Lowe, Sarah Lowe.





Varsity Football Finishes 3-7

Even though coach Kirby Foley was limited by a new staff of assistant coaches, the M-M varsity football team managed to field a rather strong team in 1976. Perhaps the greatest moment came for the squad when a 18-6 victory was won at long-time rival South Stokes High School. Two straight nonconference victories gave the team the needed confidence that Coach Foley had strived for during the 1975 season.

Unfortunately, the Mid-State 3-A Conference members were just as confident and as dedicated as the Falcons. As a result of the less than normal turnout for the team, the Falcons won only one conference game. It was ironic that two games were lost because a two-point conversion attempt failed.

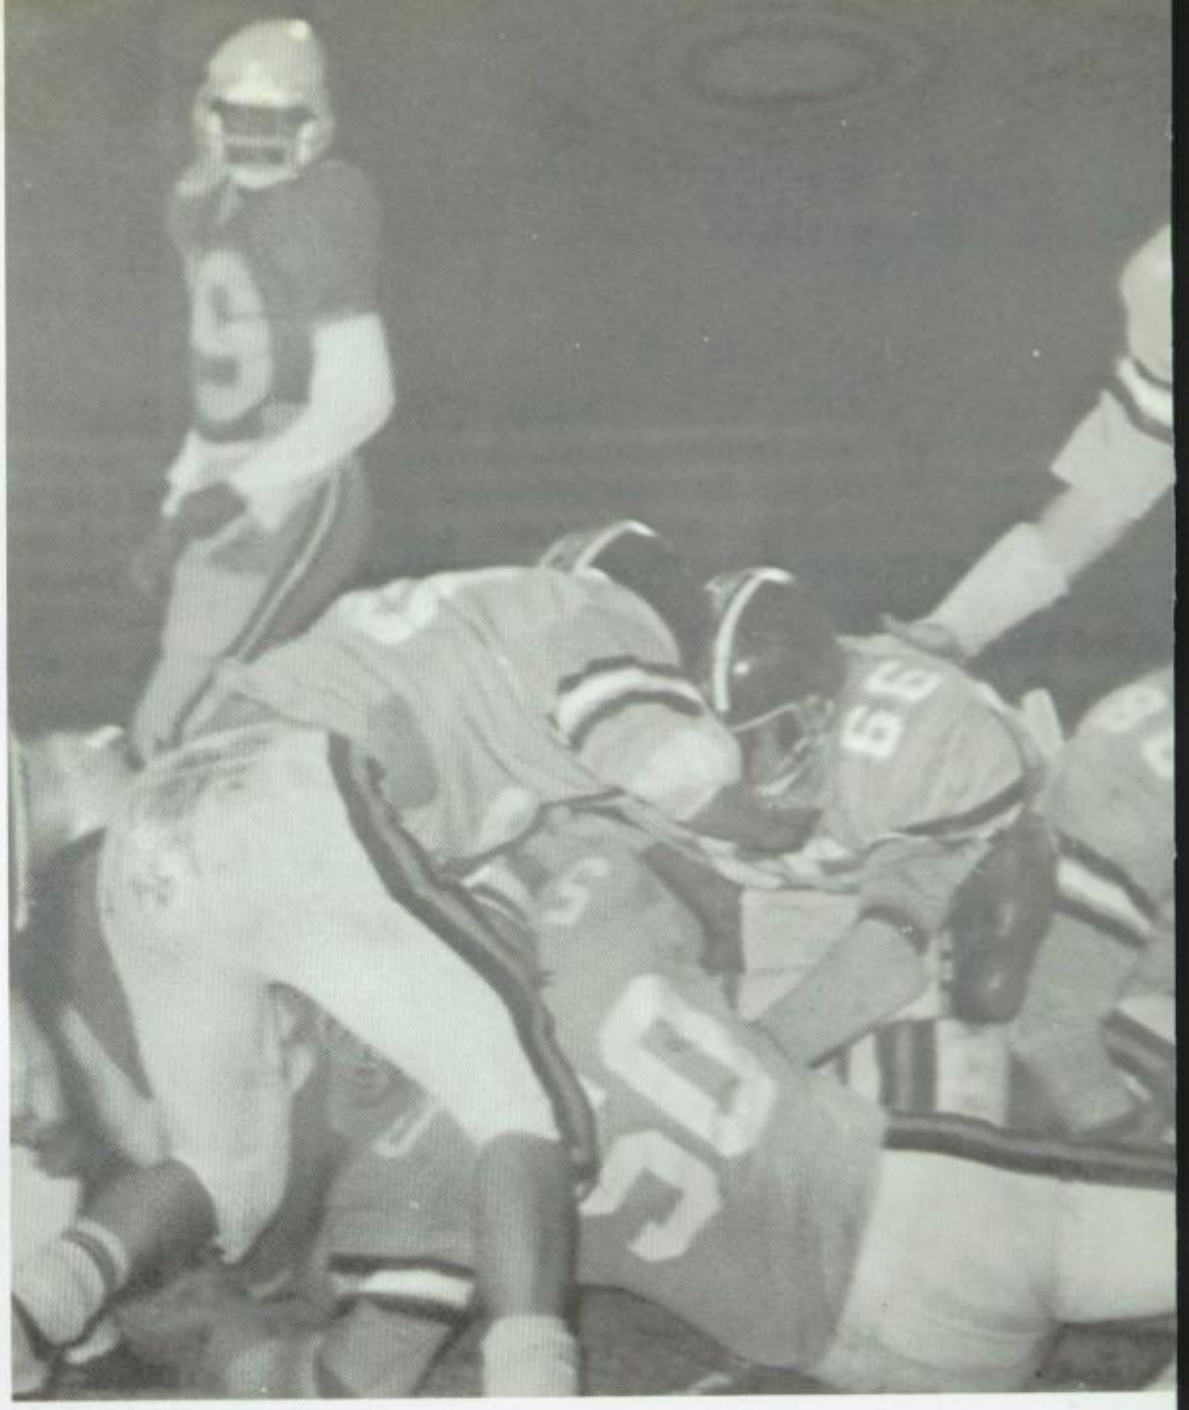
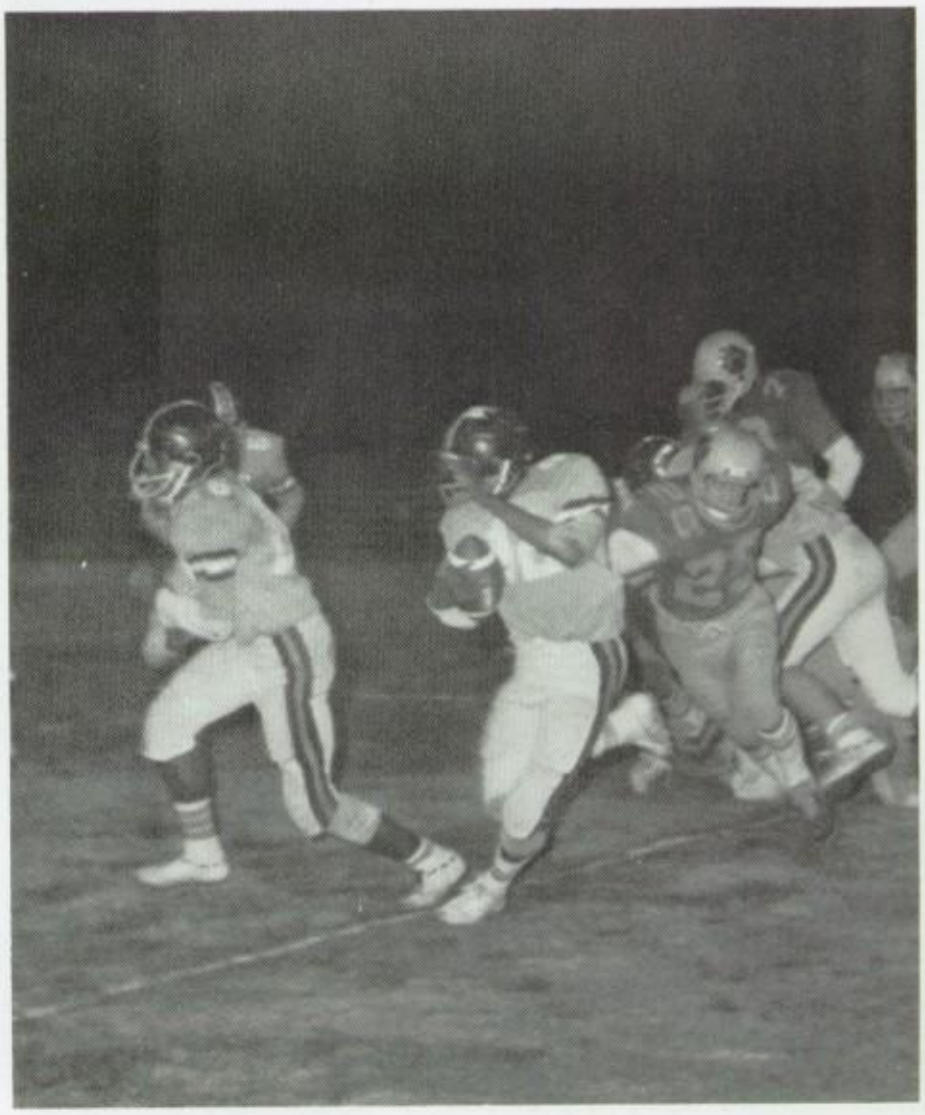
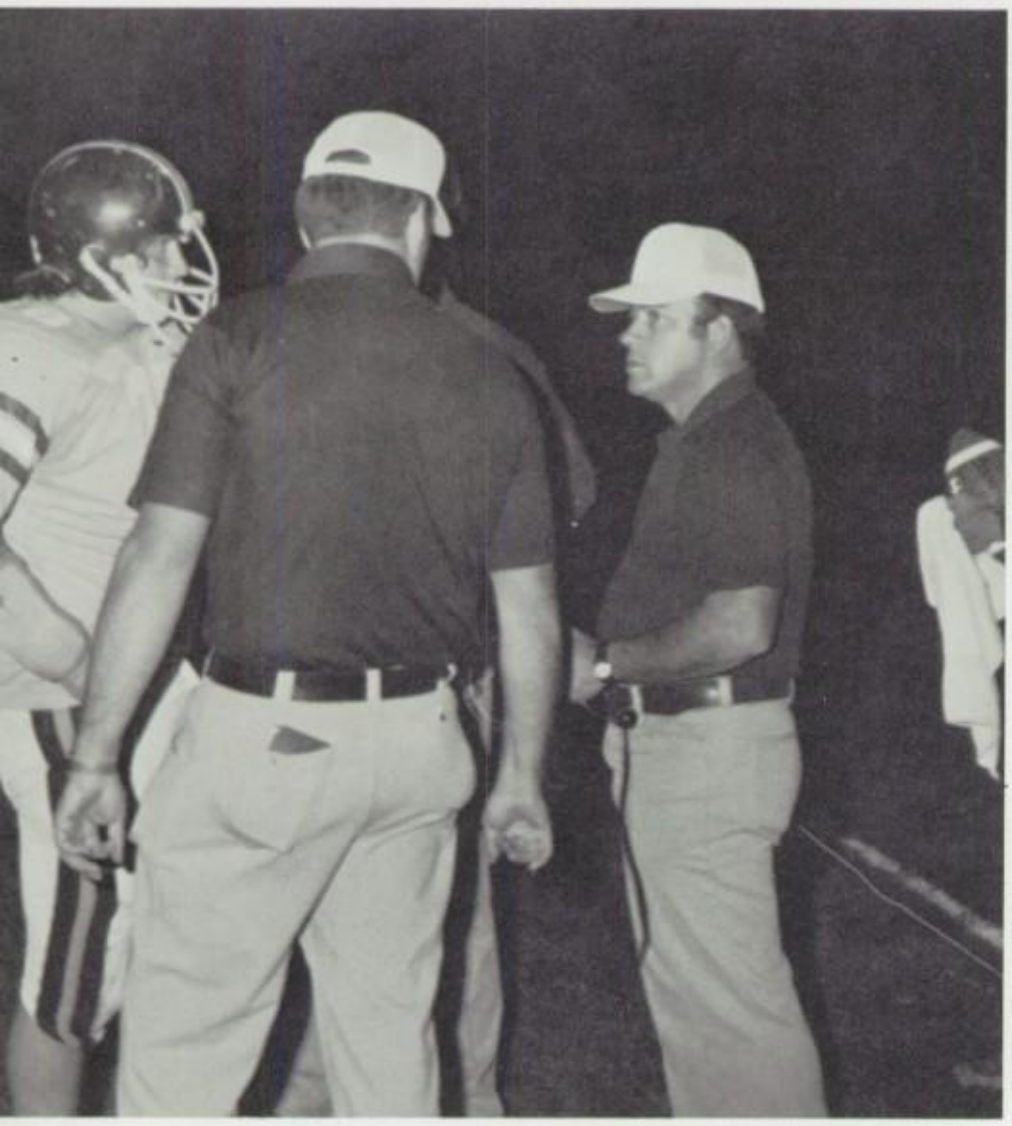
Varsity Gains Support

Coach Foley attributed some of their successes to an improvement in attitude, especially among the senior players. Tommy Webster was selected as an All-Conference player and missed the Player of the Year distinction by only one vote. An increase in support from the community helped boost the spirits of the Falcon players, and all the help received was greatly appreciated.







Freshmen Finish 1-3

Since many sophomore players were incorporated within the Varsity Football team, the coaches decided to field a Freshman team instead of a Junior Varsity team. The Freshman team, like the Varsity team, also suffering from a lack of players, completed the season with a 1-3 record. Six boys provided the nucleus of experience for the thirteen other boys on the squad. Most of the players had to play both offense and defense, and even though they were frequently exhausted, they never showed a lack of enthusiasm. Although the freshmen only competed in four games, they played well against their opponents while gaining valuable experience for the future.

Ninth Grade Football Team–(left to right) First Row: Paul Johnston, Joey Dalton, Mark Neal, Danny Hopper, Deems Satterfield; Second Row: David Powell, Kent Knight, Chris Cook, Jeffery Lowe, Bobby Sands Ricky Taylor; Third Row: Alan Knight, Randy Farmer, Jerry Adkins, Raymond Scotton, Jimmy Bullins, Hubert Lawson, Jeff Martin.

Falcons

Overwhelm Opponents

Acquiring a berth to the State 3-A Tournament in Durham, the Varsity Basketball Team finished the year with a 26-1 record. Undefeated in conference play, they easily beat conference rivals Eastern and Western Guilford.

Early in the year, the Falcons suffered their only defeat of the season against a much larger Reidsville team in the RCC Christmas tournament.

In the District V Tournament, the Falcons met a previously undefeated Northwest Cabarrus which had been called "the best team in the state." Although the game was close in the early stages of the contest, the spectacular play of the Falcons enabled them to win the tournament.

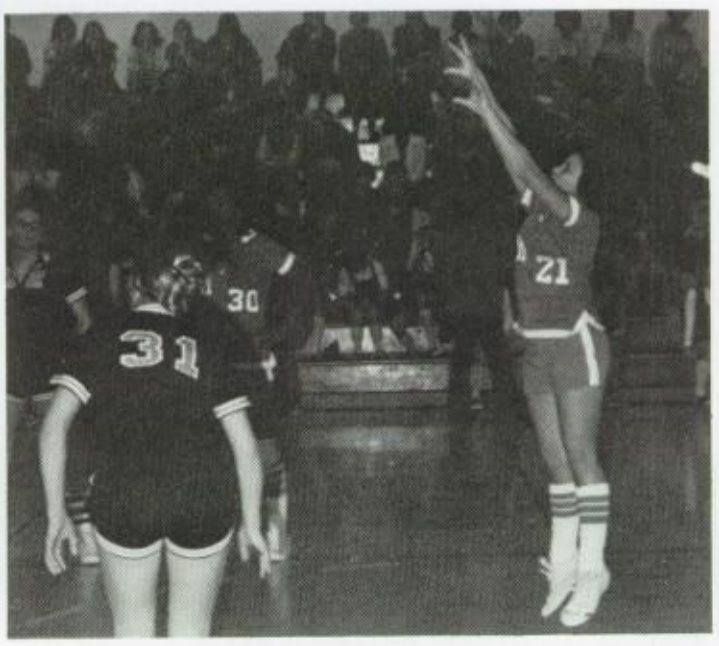
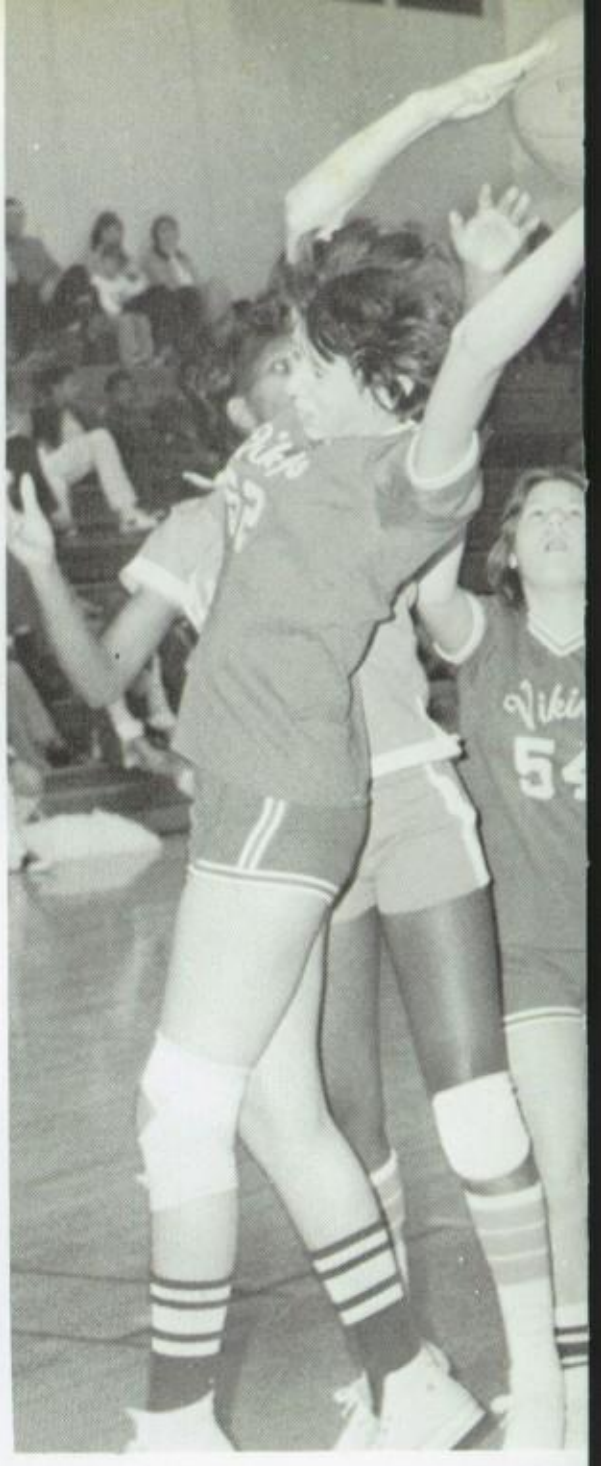
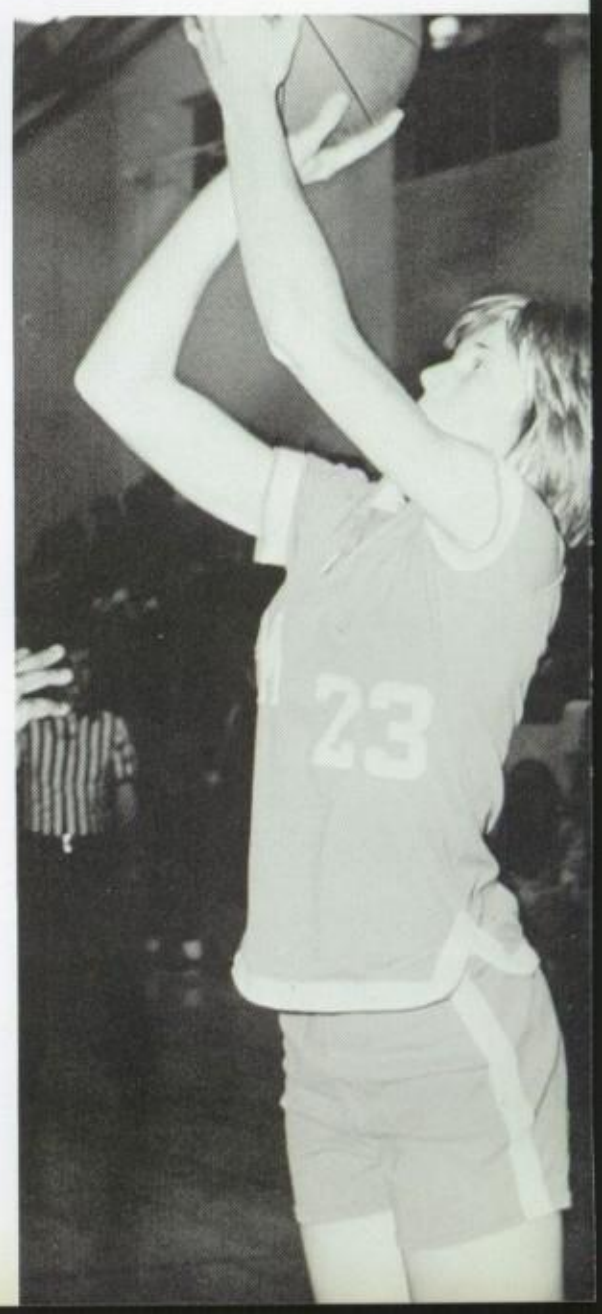
Falcons Win District V Tournament

Although the team did not win the state as they were expected to do, Coach Leroy Myers, the coach-of-the-year, still believed that this years team was the best team he had ever coached. Donny Cardwell was the most outstanding player in the conference. The Falcons also had two other all-conference choices in Don Hayes and Calvin Searcy. Even though the average winning margin was over twenty points, the games were never boring. A Falcon player would either hit a fantastic outside shot, steal the ball, execute an unbelievable pass, dunk the ball, or make an outstanding move past his opponent. How many countless times did Don Hayes thrill the M-M supporters as he showed his opponent exactly how to execute a slam dunk? Losing four starting seniors, next years team will hopefully draw from the experience they received practicing with the seniors to again win the district title.







Women Experience Rebuilding Year

In the early part of the season, the Women's Basketball team, returning with four starters, anticipated the possibility of taking the conference title. They began the season by winning five of their first seven games, and they finished second in the Eastern Guilford Christmas tournament. Yet after one of the starters quit, the teams hopes for a winning season started to go downhill. Many injuries also plagued the team as they often had to compete with only eight girls. Nevertheless, with a record of 9-10 the Women's Basketball team proved that womens sports at M-M will prevail.

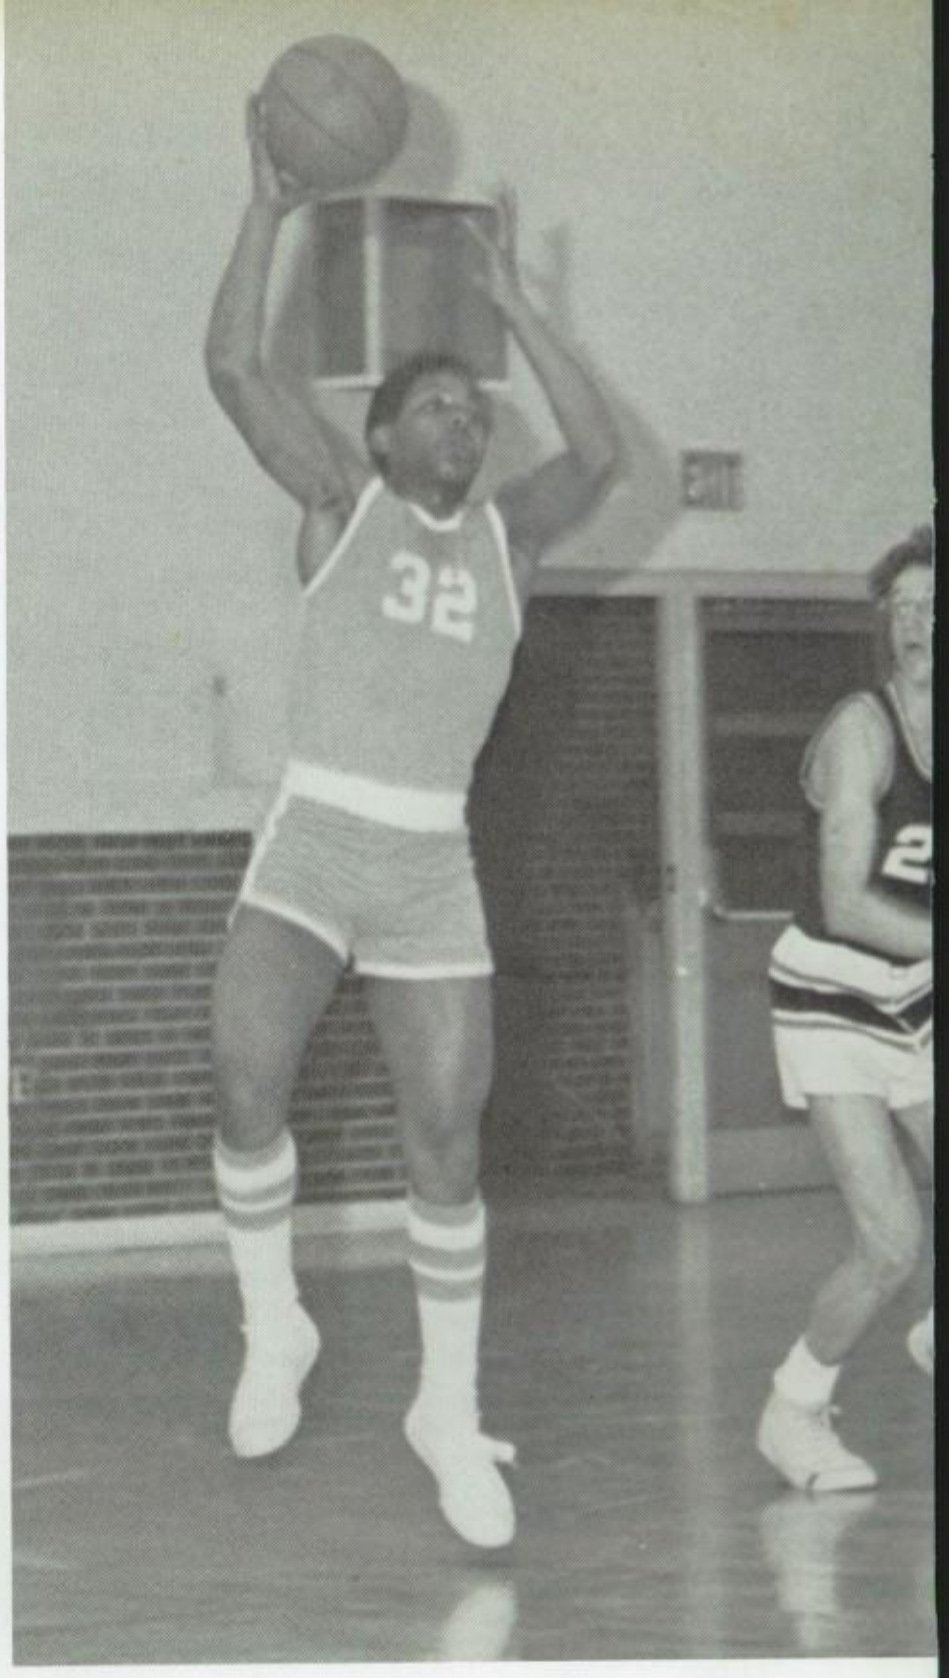
J.V.'s Rebuild Team

The Junior Varsity Basketball Team finished their season with a 3-8 record. With a new coach, Raymond Cooke, the team experienced several difficulties in trying to attain a winning season. Since three sophomores were put on the varsity team, the Junior Varsity team had to compete with a lack of experience. Also, several of their players were suspended from play for several games. However, the boys hopefully gained enough necessary experience to make a contribution to next years Varsity team.

Junior Varsity Basketball Team–(left to right) First Row: Vincent Carter, Chuck Forgay, Danny Kellam, Burton Matherly, Everett Dudley; Second Row: Alvin Wilson, Timmy Oakley, Curtis Brown, Danny Carter, James King, Jimmy Bullins, Thomas Lowe, Raymond Cooke.



Freshmen Lack Experience

The ninth grade team was coached once again by Jeryl Todd. A lack of boys going out for the team gave Coach Todd some trouble early in the season, but close work with each individual gave the young players a chance in their conference play. The season's final record was not one to be particularly proud of, but Coach Todd felt that each boy gave his best in the effort to win. The coach tried to improve their reaction time and speed, but the odds seemed to be against them. It is hoped that the freshman squad of 1977 will be potentially good varsity players if they are given the proper training and acquire the necessary attitude in the next year.

Freshman Basketball Team–(left to right) Sitting: Harold Hariston, Craig Lowe, Donald Myers, William Hazelwood, Joey Dalton, Vincent Settle. Standing: Mr. Todd, Ricky Tucker, Eric Seattle, Ramon Scotton, Chris Cook, Tim Hutchinson, Harold Beaty, Gary Ziglar, Allen Knight.

Cheerleaders Inspire Falcons

Characterized by tough competition, the tryouts for a place on the cheerleading squad were held in the spring. Eventually, eleven girls were chosen for the varsity squad, and fourteen girls were chosen for the junior varsity squad. While the varsity team was led by Tammy Anderson, Ginger Hopper led the junior varsity cheerleaders. Upon making the squad, the cheerleaders became accustomed to the hard work at lengthy practices, and the long cold rides on the activity buses to away games. Although only a few of the girls realized how much dedication was involved in being a cheerleader, none could say they did not enjoy the hard work and sacrifices which were made to become successful cheerleaders.

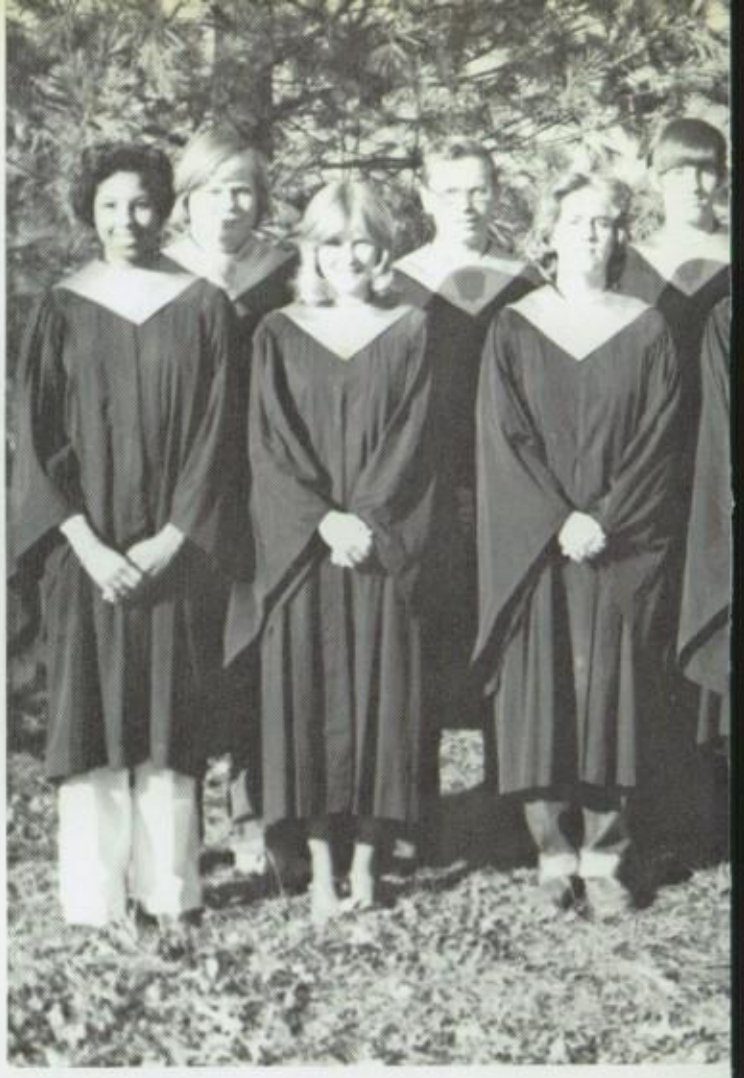
Activities



Beta Club

The Madison-Mayodan Chapter of the Beta Club proved to be very active in its second year of reorganization at M-M. Sponsored by Miss Teresa Coleman and Mr. Jeryl Todd they participated in many activities. These activities included an induction ceremony, selling hot chocolate and coffee at football games, sponsoring a reception, posting the "A" and "B" honor roll, sponsoring a High I.Q. Bowl Team, and attending both District and State Conventions.

National Honor Society

The object of the National Honor Society is to create enthusiasm for scholarship, to stimulate desire, to render service, to promote leadership and to encourage the development of character.

Membership in the organization is based on leadership, service, scholarship, and character.

Though small in number, these students through projects, the sponsoring of receptions, gave away two one-hundred and fifty dollar scholarships to two members of the organization.

Who's Who—1977

Twelve outstanding seniors were selected by the faculty members to receive the honor of Who's Who. Each individual picked the teacher of his choice to write about his or her outstanding achievements at M-M.

Lois Dalton's high academic average and participation in activities at M-M has certainly made her worthy of this honor. Her dedication and sense of responsibility has contributed to the success of the band. It has been my good fortune to have known and worked with Lois over these past six years.

A genuine and enthusiastic interest in Academic as well as extra curricular activities makes Susan Shelton a logical choice for Who's Who. As a member of the marching, concert, and stage bands, she has demonstrated an attitude of determination and perserverance in attaining the goals she has set for herself in her musical endeavors. Susan's vivacious personality makes her ideal as a friend and as a student.

To find a sense of confidence in ourselves, To discover our abilities and to find productive outlets for our talents, To express our feelings, if need be, but always gently, To recognize the limitations of others and to forgive them, To care, even with the risk of being hurt or rejected, To acknowledge our weaknesses and to have the humility to ask for help, To develop an inner strength that does not overshadow gentleness and a loving spirit, To know the joy of being alive –– All this is to achieve, to succeed. For her achievements, Tammy Anderson has been selected for Who's Who.

Versatility, enthusiasm, individuality, dedication, and intelligence are the keys to Debbie Bryant's selection to Who's Who. She pioneered girls' track locally, gained wide recognition in gymnastics, inspired with her dancing, served as a cheerleader and juniorette, and maintained competence as a student. This wide range of accomplishments make Debbie a truly outstanding person.

In viewing the personality and conceptions of this young man, I find it hard to say anything bad about him. He is a very responsive person able to meet all and new challenges. He is active in all sports whether as a player or fan. He has a very good attitude and is able to cope with many problems facing other students. Bill is a hard working individual, learning fom his mistakes. I found great pleasure in being both coach and teacher for this young man. He has exhibited tact and hard on the field as well as in the classroom. Bill is also president of the Senior Class which goes to show other students believe in him. To sum it up he is a all-around student.

Mela is the type of person who does her best in everything she attempts. She is a dedicated, concerned and sincere person that treats each person she meets with equal respect. Her sense of humor is not dulled by her serious attitude toward life. Anyone with such attributes deserves to be among Who's Who.

Brad Kent has maintained the highest academic average in his class for four years. He was chief marshal in his junior year, is in the National Honor Society, attended Governor's School in the summer of 1976 and was captain of our Hi IQ Bowl Team. He has been on the yearbook staff for two years. Because of these many achievements, Brad has been chosen for this year's Who's Who.

Susan Beaty is a Who's Who because of her outstanding scholastic, record, her service to the school, and her pleasant ways. Winner of the D.A.R. award, Susan is a real example of a truly good citizen. In her quiet manner always with a smile, she achieves success in all her endeavors.

Vanessa Lowe is an outstanding choice for Who' Who. Her excellent attitude has enabled her to get along well with teachers, students, and co-workers. She has excelled academically and, by doing so, has been inducted into the National Honor Society and the Beta Club. In addition to these honors, she has been a member of other school clubs and has been a class officer. This ambitious young lady is a hard worker and willingly accepts challenges. All those who know Vanessa will agree that she has the qualities of a successful person.

Lee Vernon is an aimiable student where academic achievements and scholarly interests in music and literature have awarded for him the respect and admiration of both his teachers and his fellow students. Lee's honors include his membership in the N.H.S., his selection for the 1977 High IQ Bowl team, his position as a marshal at the 1976 graduation, and his nomination for the prestigious Morehead Scholarship; but more important than these accomplishments are Lee's affability and effervescent enthusiasm.

Cathy Clark has been an outstanding student at Madison- Mayodan High School. She has worked on the yearbook for three years, was a member of the F.H.A. and Science Club, holding an office in each. She was a class officer two years and a member of the Pep Club. This with a delightful personality makes her worthy of Who's Who.

Donna Hopper's vibrant personality and her energetic involvement in various phases of school life, as well as her untiring willingness to help others, are ample qualifications for her to be included in Who's Who, but her attributes and involvements in school life go beyond this. She has been a member of the Student Legislature, the Fellowship of Christian Athletes, a junior varsity and varsity cheerleader, and a member of the school newspaper which all help to make her one of the most personable individuals at M-M.

If you choose the Marines, maybe you'll choose Mechanical/ Electrical, too.

The Marine Corps believes that every young man wants to point himself in the right direction—toward the kind of work that will suit him best, the kind of skills that will stick with him for life.

So if you've got what it takes to be a Marine, and you can qualify for our new option programs, we'll let *you* choose the right direction. If it's mechanical/electrical skills, you'll be on your way as soon as you complete recruit training.

There's also combat arms, aviation technology, radio communications, food services...and many other directions you can go. Come in and look over the list. You tell us what you're interested in. We'll tell you if we can get you there.

We're looking for a few good men...to choose their own directions.

CASEY'S ICE CREAM CORRAL

"Where the Skies Are Not Cloudy All Day"

"Hey Cowpokes. I wanna invite you to Casey's where fun is first on the menu. We have 16 flavors of Casey's Ice Cream, 8 types of donuts, 10 samiches and a bunch of mouth watering treats like banana splits, sundaes, and hot fudge cake. So put your money where your mouth is, and think happy for a change."

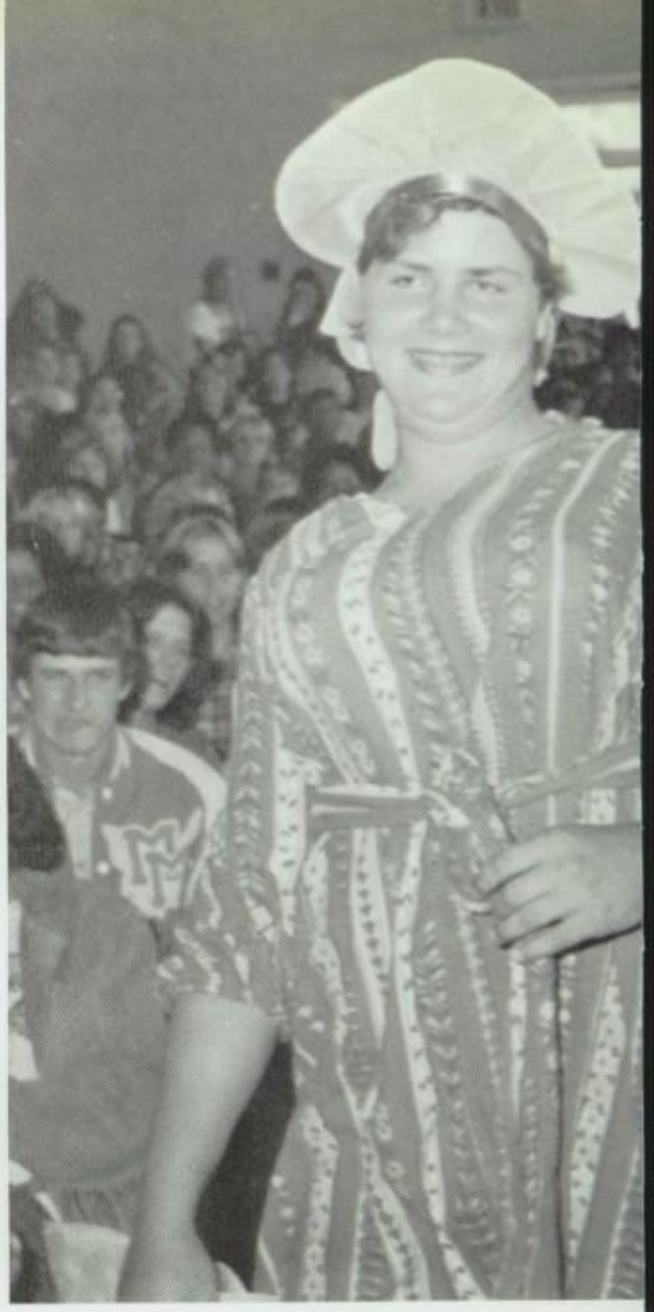
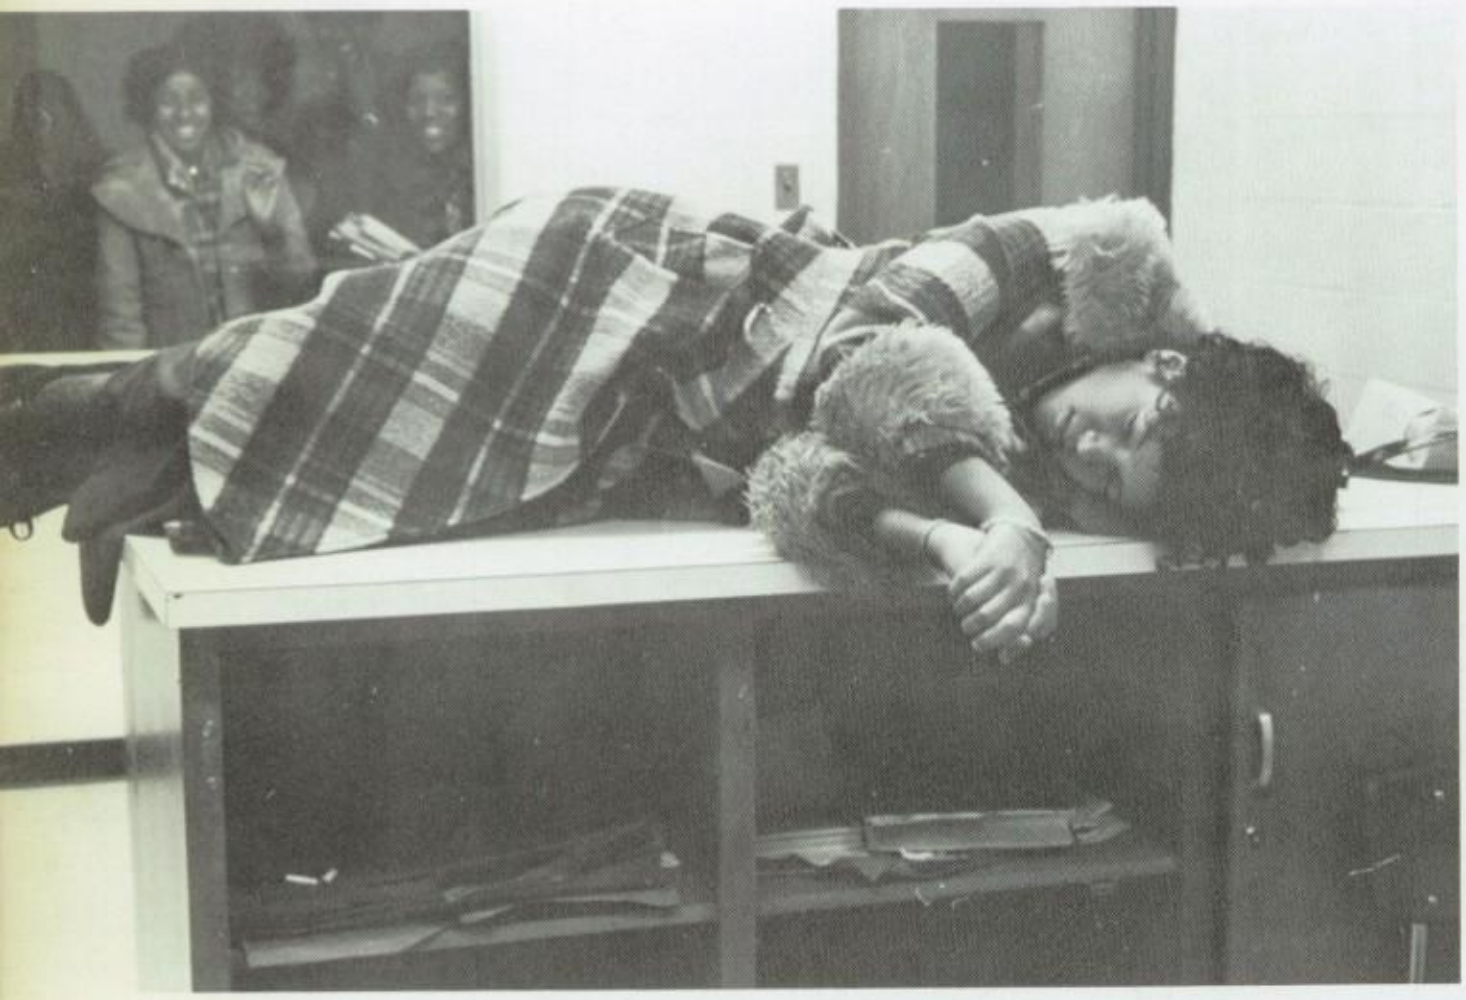
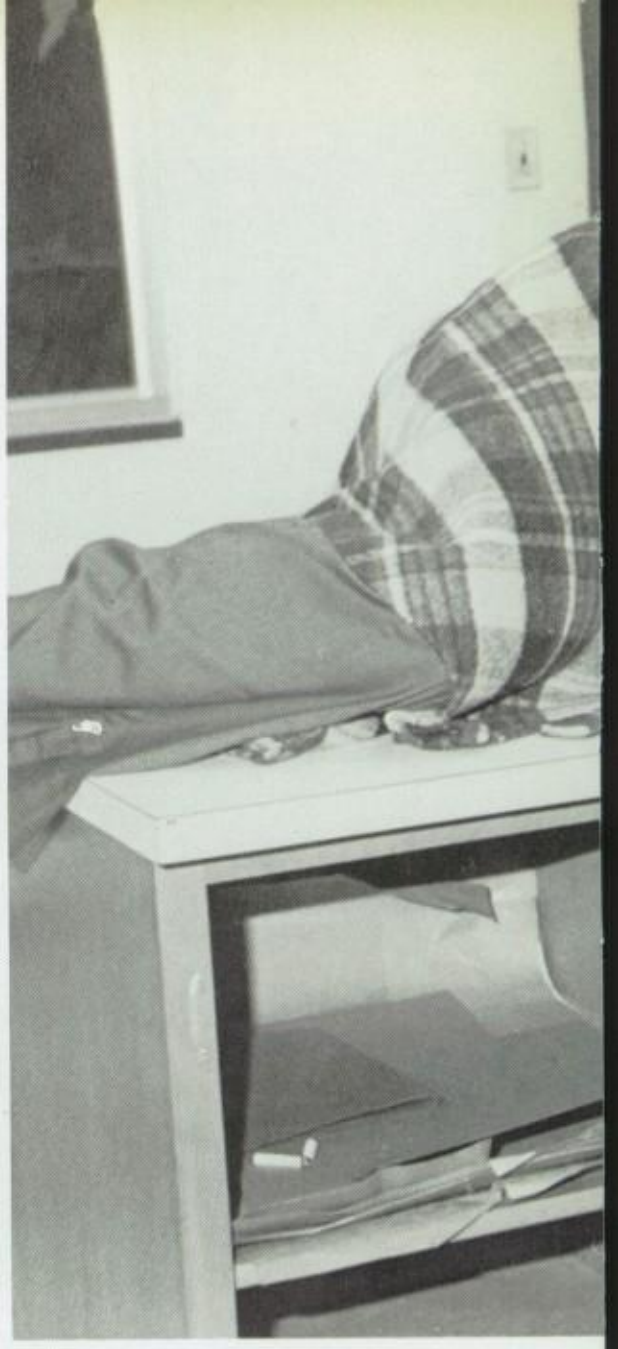
Life



Moments to Remember . . . .





1977 Falcon Staff

Seven months ago, we (the annual staff and I) began putting together a yearbook which we hoped would be pleasing to you the student body. No one knows the headaches and the long hours put into a yearbook unless you (yourself) have been a part of it. I would like to thank everyone who took part in making this yearbook, but most of all the FALCON Staff. I truly hope this book reflects a part of your year at MMHS and each of us will always remember the way we were in '77.

Working on the 1977 Falcon staff has truly been unique. Each of us gained knowledge through the production of yet another annual. Each will remember the threat of a deadline and the joy of having met them. The friendships we made will always be with us.

Special thanks to the following for their help:
Mr. Henry Miller
The Messenger
Terry Taylor
Mr. Dave Marshburn
Mrs. Loraine Scott

Jim,

Jim.
I got to know you
when you first moved
here and you have been
getting crazier ever since.

Your Best Friend

Jerry Fincher

Jim,

You're my very best friend & I hope you know this, I'm sure glad that's you all were the family that moved in in front of us, you all are the nicest people in the world, Thanks for all the good times I've had at the lake, I hope we'll have lots more. I've enjoyed knowing you & your family, if you & your family only ~~[illegible]~~ knew what you all mean to me, I think you're all the greatest people I know. Let's stay friends forever, Best of luck in the future, & best of luck with R---, because I know that you like her & I don't blame you, so stay cool & never change & you will go very very far in life, hope what's ever in life is yours. Best of friends always, L.S. I hope we can have a great summer together & play tennis or what ever in our spare time. Friends Larry

Tim,
